CONSTITUTION
of the
UNION BAPTIST ASSOCIATION

ARTICLE I — Name

This body shall be known as the Union Baptist Association of North Carolina.

ARTICLE II — Purpose

It shall be the object of this Association to promote the Kingdom of God on earth in compliance with New Testament principles, and in co-operation with the Baptist State Convention and the Southern Baptist Convention. It shall also devise and promote measures for increasing the harmony, intelligence and spiritual power of the churches.

ARTICLE III — Membership

The Association in the transaction of business, shall be composed of the pastors of the churches constituting it and the duly elected messengers of the churches. Each church shall be entitled to three messengers for the first hundred members or fraction thereof and one for each additional hundred. No church shall be entitled to more than ten messengers.

ARTICLE IV — Powers and Prerogatives

1. The Association shall have no right to infringe upon the sovereignty or rights of usefulness of the churches. All the churches constituting the Association remain sovereign and independent bodies. It may advise the churches, and recommend measures for their adoption, but cannot bind them in any way. However, it may justly claim for itself, for its objects, and for its recommendations the very highest consideration and regard.

2. The Association may at any time dissolve connection with any church that becomes heterodox in doctrine or disorderly in practice or that fails to represent itself either by messengers or letter for two consecutive sessions without sufficient reason, or that ceases to be missionary in practice. This cause fostered by the denomination at large and of this Association in particular shall be the test of each church as a missionary body. The Co-operative Program shall be the recommended means for the support of Convention objects.

ARTICLE V — Duties of the Church

The churches shall send annually a letter to the Association giving full statistical information and facts concerning their general welfare. These letters shall be sent to the clerk as soon as possible after the end of the Associational year.

ARTICLE VI — Reception of Churches into Fellowship

The Association shall be sole-judge of its membership and may receive or reject churches applying for membership therein at its pleasure. Orthodox and orderly churches petitioning by letters from another Association of Missionary Baptist Churches, or newly organized Missionary Baptist Churches desiring membership and presenting their articles of faith, shall be welcomed, provided: the churches making request for admission shall agree to come under the watch-care of the Association for a period of at least one year. The letters of petition shall be submitted to the Associational Missions Planning Committee. This committee shall ascertain the facts regarding scriptural organization and orderly practice of the church, and evidence of missionary and beneficient ferver in its work. If found satisfactory, the committee shall at the next annual meeting of the Association recommend its reception. If not found satisfactory at the end of one year of watch-care, the committee shall continue to work with the church toward its admission into the fellowship. Upon the recommendation of the committee the Church shall be admitted to membership upon a three-fourth vote of the members present. It is understood that during the period of probation such church or churches shall be entitled to all the rights and privileges of the Association except that of voting.

Whereas the General Board of the Baptist State Convention has requested the Trustees of Wake Forest and Meredith colleges to change their action on dancing;

Whereas the Baptists of the Union Association do not think that dancing, supervised or unsupervised, on or off any school campus, or any form of worldliness is conducive to spiritual growth and consecrated Christian living;

Whereas the messengers present believe that the action of the trustees of Wake Forest and Meredith Colleges, relative to social dancing on the campuses of our senior colleges, is doing, and will continue to do, injury to our whole Baptist program, especially the cooperative part of the program;

Therefore, be it resolved: That the Union Association of Baptists, consisting of 53 churches, in its annual session, on October 29, 30 at the Benton's Cross Roads Baptist Church, and the Philadelphia Baptist Church, deplores the action recently taken by the trustees of the above named colleges and requests that they rescind this action at the earliest possible date, before serious damage is done to the cause of Christian Education and the Cooperative Program in our state.

Discussion concerning the resolution followed.

REPORT OF ASSOCIATIONAL MISSIONS COMMITTEE

It is with deep gratitude to God for his goodness and blessings that we make this report to the Association. Our mission program has sought to help the churches within our bounds by encouraging them to see the need for having adequate buildings for proper teaching and training their people, to offer teaching and leadership training in the local church and on the associational level, to strengthen the organizations now existing, to aid in starting new organizations within the churches, and to encourage more missionary giving. We promoted a mission emphasis in September with 33 of our churches participating.

This committee has assisted, upon the approval of the Executive Committee, a group of people near Indian Trail in the organization of the Gospel Baptist Church, and met with the deacons and building and planning committees of North Monroe church to offer assistance to them in relocating in the Camp Sutton area. We also investigated other fields where a possibility of a mission Sunday School may be needed.

Our missionary, in helping to promote the work in our association and the local churches, has worked through many channels, both in the office and on the field. He has met with more than 300 individual groups and committees in the interest of the work, has assisted in the establishment of 8 new organizations, helped to plan and promote 22 associational meetings with our organizations, helped in a total of 208 meetings within the churches, has spoken at 22 worship services, has done extension work with churches in the Moriah and Chesterfield associations, has worked with our State Convention in two major emphases; and has served as secretary of the Training Union Department for region six (6). He has worked in close harmony with Rev. E. S. Lingle in establishing the Bonds Grove mission near Weddington, serving there each Sunday afternoon since March first. The mission now has an enrollment of 35, has been self-supporting, and has made a contribution to Christian Education and the Cooperative Program. There were 44 enrolled there in Vacation Bible School.

We are planning for the coming year to have group clinics for deacons, Training Union enlargement campaigns in the local churches, Officers' and Teachers' training periods for the Sunday School workers, a clinic for the Brotherhood officers and committees, and a training program for Royal Ambasador counselors.

We feel that a lack of funds for associational purposes places a

limit upon the amount and type of leadership training that we are able to offer our people and that additional financial support for the associational agencies would enable us to render a more efficient service.

REPORT ON EVANGELISM

Surely Evangelism lies nearer to the heart of each of us than any other phase of our work, for it is that which Jesus commissioned us as his disciples.

Before Jesus left this earth to go back to glory to occupy his place at the right of God the Father, He said, "Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the holy ghost: teaching them to observe all things whatsoever I have commanded you: and lo, I am with you alway, even unto the end of the world." I believe the command of God to us, to go, to advance, win and enlist is more urgent than ever before. Jesus said, while he was on this earth over 1900 years ago—"I must work the works of Him who sent me, while it is day, the night cometh when no man can work." Christ time on earth was limited. Our time to work for God is limited. I believe the hour is later than we think, therefore we should put on a burst of speed to advance in God's work of Evangelism as never before.

Jesus placed the task of evangelizing the world in the hands of the church. The church must recognize that the New Testament Evangelism reaches into all areas of life, namely; the salvation of the soul, the training and development of talents and personality; the stewardship of time, money, and making good witnesses of the saving grace of Christ.

We need to make our whole church program evangelistic. We are saved and commissioned to tell others. Therefore, every member and every organization in the church needs to live in the spirit of Evangelism.

GOOD GOVERNMENT REPORT TO UNION ASSOCIATION

Wherever more than one person lives, there is need for government; and it should be good, or it is no good. The best government is made by the people who are filled with the Spirit of God.

In our county, state, and nation we should always be against evil in all of its forms, and take a definite stand to that end. If a minister mentions whiskey, some may think he is in politics. Well, all of us should be in politics to the extent that we help put the right man in the right office. But strong drink is also a moral question; and no Christian, much less the Christian minister should ever apologize for preaching good morals.

The thing that appalls us so much is that so many otherwise law-abiding folk will take a light view of this evil and sympathize with the liquor interests. Is it because of the money our government gets from it? Those who know tell us that it costs more to enforce the law where whiskey is sold than we get out of it.

And another thing, America is becoming, if she has not already become, composed of too many gamblers. Nearly ten billion dollars spent in gambling on, or in connection with, horse racing; and gambling, like whiskey, is looked on with a certain amount of favor, or ignored, by so many folk who know better.

Crime is increasing in America, and more so in cities of the southeast. In 1950 North Carolina was next to the highest in manslaughter and murder. The most of us look down on so-called "deep sin"; and yet maybe you have heard of Sunday School classes choosing sides, and the side that got more to come to church was "set up" by the losing side. A member said the other day that he would never have any more confidence in a preacher that would match for a Coca Cola. Let us set a good example in our secular and Christian living.

TRAINING UNION REPORT — 1957

A mass meeting in the Wingate High School auditorium started our new year. 850 in attendance, goals for the new year were presented, new officers were installed, Rev. E. E. Talbert of West Monroe Church preached the message, and 38 young people dedicated their lives to Christian service. Also 2 new Training Unions reported—Union Grove and Bethel.

On Feb. 4th our meeting was split into groups, at four churches scattered over the county. Group leaders presiding:

Fairfield ---------- Brice Baucom presiding

Centerview ---------- Mrs. Lonnie Curlee presiding

West Monroe ---------- Mrs. D. A. Williams presiding

Waxhaw ---------- John Underwood presiding

We think these meetings were a success in that, in traditional Training Union manner, it put more people to work.

From Feb. 25 through March 1, a Training Union Work Shop and Leadership School was held at First Baptist Church, Charlotte. All the top brass from Nashville, even J. E. Lambdin, Mr. Training Union Himself was there. We were well represented from Union Association.

Saturday night April 27 Youth Night was held at the West Monroe Church. Only 39 in attendance, but eleven churches represented.

April 28 Tournament Eliminations were held at Euto Church.

Max Melton was the winner in the Young People's Speakers contest, and was second place winner at the Regional meeting.

Esther Taylor was sword drill winner, made a good showing at the Regional.

Mr. Hollis Walden won the adult Bible Readers contest and represented us at the regional meeting.

May 6, Training Union Conferences at Austin's Grove. Ideas were discussed on how to improve the Training Unions.

June 3rd Mass meeting at Mt. Harmony, near the Mecklenburg county line. Training Union plays the field from one end of the county to another.

August 5, conferences at Union Grove, a new Training Union.

September 9, Mass meeting at Mt. Pleasant in their new building.

We reached the standard of excellence as an association for the past year.

West Monroe had the highest average attendance 124. 170 enrolled. Philadelphia next with 98 average attendance; Pleasant Hill next with 95 average attendance.

When we think of the great amount of work that should be done in this field, it makes us feel very humble and very inadequate. But let us look forward to a new year and determine to put our best into God's service.

NORTH CAROLINA BAPTIST HOSPITAL 1957 REPORT

Our North Carolina Baptist Hospital is dedicated to the service of those in need of medical care, the education of young people in various branches of medical service, and the bearing of a Christian witness throughout North Carolina and the world.

Once more it has set a new record in its ministry to sick people. Last year it provided 123,000 days of bed care for 15,784 patients. There were 61,000 visits to the out-patient clinics and 60,000 visits to the private clinics. Service patients came from 92 of the 100 counties of our State. This represents specialized medical care in twenty-five different fields of medicine and surgery. It represents the services of skilled medical specialists and special equipment in each of these fields. It represents a medical staff and equipment which, because of the many skills and the large investment involved, cannot be provided except in such a medical center. It provides medical service of the highest order for our people in North Carolina, whatever their financial circumstances may be.

The new Cobalt machine is in full operation, providing treatment for about 35 cancer patients each day. Our very fine plastic surgeon is doing highly skilled work, and our heart surgeon has performed successfully some of the newest and most difficult heart operations known. These services are typical of those offered by our Baptist Hospital.

If a person wishes to go to the Baptist Hospital for treatment, it is necessary that an appointment be made in advance. When an appointment is requested, accurate information must be given as to the general nature of the patient's problem and whether he needs to go through the out-patient clinic, rather than as a private or full-pay patient. The out-patient department is open to persons who are not able to pay the full cost of their medical care. In cases of emergency,

or the need for immediate hospitalization, a local physician should always call or write the hospital in order that he may give the medical information required before the proper arrangements can be made. If a person will not be able to pay his full hospital bill when he leaves the hospital, definite financial arrangements should be made when he is admitted to the hospital and not left until later. This can prevent misunderstanding and unnecessary hardship.

It appears now that our churches of the State have made their largest Mother's Day offering this year. We are grateful for this because the needs for help have been greater than they have ever been before. Let us share in the ministry of our Baptist Hospital by giving generously of our prayers, our love, and our money.

REPORT OF THE BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, Inc.

UNMET NEEDS

The year 1956 was another busy one at the Baptist Children's Homes. The Children's Homes were able to admit to their care only one fifth of the children for whom application was made. There were a total of 813 applications. Of this number ony 169 children could be admitted to some phase of their program. Certainly all the other 644 were in need or their applications would not have been signed by Baptist Pastors.

Careful research by our Social Service Department, in cooperation with the Pastors who had signed the applications, made it possible to place many of these 644 children with relatives or other Agencies where their needs are being met. Many others could not be placed and are still waiting for someone to come to their rescue. Our Pastors have been most tolerant and cooperative in trying to reach the weighty decisions as to which children were in greatest need and should be admitted to fill our few vacancies.

The question often arises, "How many dependent children should North Carolina Baptists provide for?" Probably an exact answer is impossible. Last year we served a total of 751, an increase of 15 over the year before. Of these, 126 were supported in Foster Boarding Homes. Perhaps a conservative estimate is that Baptists of North Carolina should serve about 1,000 children annually. It is, therefore, planned to

gradually expand the Foster Home Program until we as a Denomination are caring for our proportionate share of dependent children.

Another need is the Indian Orphanage at Pembroke. This Home, which cares for fifteen to twenty children, is located in Robeson County in the Burnt Swamp Baptist Association. Since this Home has not been and probably cannot be adequately supported by the local Association, considerable sentiment has developed among North Carolina Baptists for admitting it as a part of the Baptist Children's Homes of North Carolina, Inc. In view of this sentiment and the pressing need the Board of Trustees of the Baptist Children's Homes at their regular annual meeting in May, 1957, voted unanimously to recommend to the Baptist State Convention, at its annual meeting in November, that the Pembroke Orphanage be made a part of the North Carolina Baptist Child Care Program. If the Convention approves this action, it will necessitate the erection of one Cottage at Pembroke at a cost of about $50,000.00, and an additional operating budget of about $20,000.00 per year.

HOW CAN BAPTISTS FINANCE THESE ADDITIONAL NEEDS?

We believe we can get the money for the cottage through special gifts and bequests. The current support would have to come through the Churches. Our Baptist Churches have two plans for supporting the Children's Homes:

Plan Number I is a combination of the Once-A-Month Offering and the Cooperative Program. Through this plan the Homes receive a fixed amount. This cannot be increased or decreased except by vote of the Convention.

Plan Number II is the Thanksgiving Offering. Every dollar of this comes to the Children's Homes and may be increased by the Churches to meet the increasing needs as far as our people wish to go.

The only possible way now for your Children's Homes to get more to meet these challenging needs is through an increased Thanksgiving Offering in November. If every Church will increase its Thanksgiving Offering ten per cent this will give us the $20,000.00 to support the children at Pembroke. As our people go beyond this amount in their giving, we will expand the Foster Home Program and care for some of the 644 children who had to be turned away last year. Surely the Master is not pleased with His servants until they have done their best.

THE BUILDING PROGRAM CONTINUES

Since the report last year we have built a new Swimming Pool at Kennedy Home, and a New Cottage for boys is under construction. Perhaps a contract for another Boys Cottage at Mills Home will be let within the next twelve months. These new buildings are erected with special gifts and bequests.

CHARITY AND CHILDREN

Charity and Children continues to serve North Carolina Baptists in promoting the Kingdom of God. It not only keeps our people informed about their program of Child Care, but it also strives to give a little clearer insight into all phases of our Denominational work. Here it joins hands with the Biblical Recorder and all Southwide Baptist publications in trying to let the people see what transpires in our Conventions, Associations, Board meetings, and Institutional programs. The circulation continues to grow. The circulation is about 52 thousand. We believe every Church will profit by a Charity and Children Club.

Club rates in bundles of ten or more are 60c per year. Individual subscriptions are $1.00 per year. Free copies are sent to Pastors and Sunday School Superintendents. If you are not getting your copy, please write Baptist Children's Homes of North Carolina, Thomasville, N. C.

SUNDAY SCHOOL REPORT 1957
UNION ASSOCIATION

Jesus established the church. He commissioned it in Matthew 28: 19-20 saying, go ye therefore and teach all nations baptizing them in the name of the Father and of the Son, and of the Holy Ghost, teaching them to observe all things whatsoever I have commanded you and lo I'll be with you always even unto the end of the world.

As we give this report we recognize Jesus as the master teacher, and give our Lord the praise for what has been accomplished through our Sunday Schools.

Three associational meetings were held and great interest was shown, most of churches had Vacation Bible School and most all churches held study courses.

Last year there were 21 from this association attended the Sunday School Conference. This year there were 65, a gain of 44, and from the results I have seen in our Sunday Schools, I believe the conference is very beneficial to our association.

Last year the enrollment was 9,803, this year reports 10,352, a gain of 549.

We want to thank each of you that has worked untiringly in our church schools making this report what it is; very good, but not good enough, as long as there are those around us who are not in our church

schools listening to the message that Jesus left for them.

As we go through this year, let us look unto the field white unto harvest, and prepare ourselves for the task, prepare a place for them, then go invite and compel them to come in, Jesus said I'll be with you always.

REPORT ON CHRISTIAN EDUCATION IN OUR N. C. BAPTIST COLLEGES

The some 825,000 Baptists in North Carolina continue to demonstrate their belief in the importance of supporting Baptist colleges as training centers for preparing Baptist leadership. This interest is shown in the enrollment of 6,500 students, most of whom come from our Baptist homes, with approximately 800 being trained for the ministry and other full-time service in church work.

For aiding these young people in their college training, the Baptists of N. C. are contributing an average of $1.25 per person for both operating and capital outlay purposes in these colleges—a total of $1,100,000 annually. It is hoped that in the near future gifts through the Cooperative Program will make it possible to increase this financial assistance to provide an average of $2 per member in our Baptist churches; certainly this is not too much to expect our people to invest in the training of our future leaders in the largest denomination in the state.

Baptists of North Carolina should know that they are doing more to provide for the training of their young people than any of the other denominations, and yet we cannot escape the fact that of the 21,000 Baptist young people enrolled in colleges in N. C., only about one out of every five is able to attend one of the Baptist colleges. In addition to the training of ministers and other full-time workers, these colleges are our chief source of Baptist doctors, lawyers, teachers, and business leaders.

These seven Baptist colleges: Wake Forest, Meredith, Campbell, Chowan, Gardner-Webb, Mars Hill and Wingate, have an annual operating budget of $6,000,000, and a plant valuation of $35,000,000.

As all informed Baptists of North Carolina know, our Christian Education Program now stands at a critical point in the history of North Carolina Baptist Colleges. May this committee urge upon you to pray that God shall give us guidance and good-will toward all brethren as we earnestly seek to understand each other, and maintain an educa-

tional program that will be worthy of the name Christian. Let us urge you to further pray that our differences of opinions that have arisen out of the Wake Forest and Meredith situation not be permitted to wreck or harm the Cooperative Program, the program that has so wonderfully enabled Baptists to do more in a better way. Let us pray that we shall maintain our "togetherness" in the great work of making the Gospel what our Lord intended it to be—a universal Gospel.

Southern Baptists maintain seventy colleges, seminaries, and schools, with a total enrollment of 57,335 students. (These figures are based on 1956-57 enrollment). The following will show the number of students enrolled in each level of higher learning in these institutions:

	Regular	Total
Seminaries	5,697	6,373
Senior Colleges and Universities	39,723	46,099
Junior Colleges	8,775	9,618
Academies and Bible Schools	3,140	3,226
Totals	57,335	65,316

Students Preparing For Church Vocations

	Ministerial	Education Directors	Music Directors	Mission Volunteers

Senior Colleges	5,088	758	629	1,074
Junior Colleges	973	118	72	251
Academies and Bible Schools	477	7	11	58

North Carolina Baptists have long been known throughout Southern Baptist territory as pioneers in the field of Christian Education. Our institutions have towered like tall timber among the best Southern Baptists have. We can hope to maintain such distinction only as we keep our mission clearly defined—that of training Christian leadership.

God, save us from causing Thee to remove this candlestick from our midst!

BROTHERHOOD REPORT

A look at the Brotherhood work in our association for the past year is both encouraging and discouraging. In many respects we feel that we have made some progress during the year, while in other ways we fell far short of our goal.

We have had four associational brotherhood meetings during the year. Each of these meetings has been well attended and the programs have been both instructive and inspirational. We feel that the climax was reached in our last meeting when we had the installation of our officers for the coming year. This meeting was held at the First Baptist Church of Monroe and we had about a hundred men present for this occasion. Rev. Hubert S. Mumford of Durham, a former pastor in this association, conducted the installation. The lighting of the candles as each associational officer pledged to do his best this year was unique and impressive.

We appreciate greatly the cooperation given by our associational brotherhood officers of the past year. They have done what they could to promote the brotherhood work for which we are indeed grateful. No one of us has worked harder than our Royal Ambassador Leader, Mr. S. C. Harrill of Marshville. He accepted this responsibility with zeal and enthusiasm. Early in the year he called a meeting of the men and boys at which time an Executive Committee was elected. During the summer, he worked with the recreation committee to organize and develop a baseball and softball league with twelve teams participating. At the close of the season a banquet was held and awards were presented to the winning teams. We feel that this was good training for our "Men of Tomorrow" and express our thanks to all who helped with this program.

We are glad to report that a group of our men from West Monroe Church attended the meeting of brotherhood men in Oklahoma City. Included in this group were Rev. E. E. Talbert, Mr. Howard Evans, Mr. Pruitt Underwood and Mr. Marshall Cook. They give a glowing report of the inspirational meetings and returned to us with renewed interest and love for brotherhood work. They have tape recordings and slides taken while there which they will be glad to show to any of our brotherhood groups.

As far as we know, there was only one new brotherhood organized in our association this year. This was at Bethel Church and we feel that the organization there got off to a good start.

We regret to report that we had a decrease in the total brotherhood membership this year — dropping from 760 members last year to 723 this year. We also regret that one or two organizations that were active last year reported inactive this year.

We feel that we are facing a crisis in training our boys in Christian service. We are grateful for the fact that for many years the ladies have sponsored the Royal Ambassadors as well as the G. A.'s and the Y. W. A.'s. Now the brotherhood orginization has agreed to sponsor the R. A.'s and we are not ready. We are handicapped to begin with because there is not a brotherhood organization in each church. We are handicapped too because the men oftentimes are not willing to devote the necessary time to work with the R. A.'s. We know that boys need men to work with them to play with them, to train them during their formative years. If we fail to accept this responsibility, we ourselves lose an opportunity to serve and the Christian leaderhsip for tomorrow suffers.

We appeal to the men of our brotherhoods to accept this challenge and sincerely hope that in the churches where there is no brotherhood organization that a committee will be appointed to sponsor the R. A.'s in order that they may grow up in the nurture and admonition of the Lord. May we as men accept the challenge that comes to us today and use whatever talents we have in our Master's service.

Respectfully submitted,

John A. Bivens

Assoc. Brotherhood President.

REPORT OF WOMAN'S MISSIONARY UNION FOR 1956-57

As we attempt to bring the annual report of Woman's Missionary Union, we are mindful of those who invested time, energy, means, and personality in each Woman's Missionary Society and in each Youth Organization in order to make up the totals that we have. Our growth has not been what we would love for it to have been, yet we are reaching more people than we have ever reached before. The new organizations reported are Woman's Missionary Society at Corinth, Girls Auxiliary at Benton's Cross Roads, Sunbeam Band at Benton's Cross Roads, Young Woman's Auxiliary at Benton Heights and Young Woman's

Auxiliary at Marshville. We have reported 291 new members during the last year and 142 new tithers in Woman's Missionary Societies. The growth in our Young People's organizations has been similar to that of Woman's Missionary Societies. Our special offerings have shown an increase of over ten per cent with the exception of the Annie Armstrong offering for Home Missions.

We have had 59 mission study classes for WMS and 724 women reading one or more approved books. We have had 71 classes for our YWA, GA, and Sunbeams with a total of 250 reading one or more approved books.

We have an increase in the number of organizations that are using the Prayer Calendar, and observing the weeks of prayer for Foreign, Home, and State Missions. However our statistics do not show the number on individuals following the Calendar of Prayer daily, the number having family worship, the number studying books of prayer and using any other means to gain a deepened consciousness of the need and power of prayer. However many societies studied Primer of Prayer during the fourth quarter and others who did not have a class read the book.

We seek to lead our members into experiences of meeting missionary opportunities and responsibilities in the communities in which we live through Community Missions. We are urging that a book on Soul Winning be studied by Woman's Missionary Society members during the April-June quarter of next year. We are grateful that our young people are taking a great interest in learning to do things for people they come in contact with through the means of directed community missions. Emphases for this year are: The Christian and the Alcohol Problem and Ministry to Minority, Racial and National Groups.

These are changes that have been made:

1. As of October 1, the transition period of the Royal Ambassadors from Woman's Missionary Union to the Brotherhood was completed. All Royal Ambassador materials now come from the Brotherhood Commission, 1548 Poplar Avenue, Memphis 4, Tennessee.

2. Our work with the youth has enlarged so much that a Youth Director can no longer direct all the work. Instead of having Youth Director, we now have a YWA Director, GA Director, and Sunbeam Director.

3. The Carver School of Missions and Social Work has been trans-

ferred from Woman's Missionary Union to the Southern Baptist Convention. The change has been in process for some time but was completed this year.

4. The Week of Prayer for State Missions is church-wide program. Before this year the WMU would have their State Mission Prayer program and offering in September. Then the Sunday School would take their offering for state missions in October. This year there was enough very attractive material sent out in September for the Sunday School, Training Union, and WMU to have programs each. Then we made our offering not as a member of an organization but as a member of the church. WMU welcomes this change and feels that it is a good one.

Our Regional Conference was held of October 8 at the First Baptist Church in Rockingham. There were fifty or more women who attended from the Union Association. Those who were elected to places of opportunity and responsibility for the Region were: Mrs. Henry W. Gamble, reelected as Supt., Mrs. Mott P. Blair as Secretary, Miss Virginia Austin as YWA Director, Mrs. Dewey Hobbs as Margaret Fund Chairman, and Mrs. J. Howard Williams as chairman of the nominating committee. Miss Inabelle Coleman was the missionary speaker for that meeting.

Meetings held in the Association are as follows:

Three Sunbeam Rallies were held during the year, one at Mill Creek under the leadership of Mrs. J. E. Haigler, one at Olive Branch with Mrs. Haigler directing and one at New Hope with Mrs. W. W. Hooper directing.

The Junior Girls Auxiliary had their annual banquet at Union Memorial Dining Hall on October 22. Some of the foreign students at Wingate College were special guests. Their Rally was held at Union Grove Church on April 26. These meetings were directed by Mrs. Melvin Helms.

The Intermediate Girls Auxiliary had their annual banquet at Union Memorial Dining Hall on October 23. They had their Rally on April 29 at Austin Grove. These meetings were directed by Mrs. Bill Edwards.

Foreign Mission Emphasis Night for Young People was observed on Nov. 26 at West Monroe Church with Miss Verla Griffin directing.

The YWAs had their annual banquet at Union Memorial Dining

Hall on Feb. 7. Mrs. Victor Batchelor was special guest. On April 8 they had a Mother-Daughter covered-dish supper at the Educational Building of First Baptist in Monroe. At that time they elected officers for the next year. On July 22, they had a picnic supper on the lawn of Wingate Church. Following this they had a very impressive Installation Service. The program was given by the girls themselves. On Oct. 14 these new officers had their first council meeting. Miss June Mann, State YWA president spoke to that group. All YWA activities are directed by Miss Virginia Austin.

The Royal Ambassadors' Banquet on Nov. 6 was planned and sponsored by WMU. All the above meetings were well attended.

The youth session of our annual associational meeting was held with the First Church in Monroe the evening of April 8. The all day session was held in Wingate Church on April 9. We were luncheon guests of the College. Mrs. Robert Stanley, Jr., Missionary to Brazil was our speaker. Miss Beverly Neilson was special guest from State Office.

Quarterly executive committee meetings have been well attended.

The annual dinner for Pastors' wives was served at Union Memorial Dining Hall on Feb. 1. A well planned program was presented. Our guest speaker was Mrs. J. Boyce Brooks from First Baptist Church in Albemarle.

Our Mission Study Institute on Japan was directed by Mrs. John A. Bivens on Nov. 1st.

Our Mission Study Institute of Africa was led by Mrs. Lex Funderburk on September 24. Rev. Quinn Morgan was guest speaker.

The Leadership Conference was directed by the associational officers and chairmen on October 17 in the Educational Building of First Baptist Church in Monroe.

One year ago we began hearing about Aims for Advancement. The word **Aim** suggests purpose, endeavor, and zeal. The word **Advancement** points to worthy achievement and progress that counts for Christ in today's world. We also began hearing about an approved, an advanced and an honor society. At the end of the first year we had three groups recognized as advanced societies: Monroe First with Mrs. Hayne Baucom as president, Marshville with Mrs. Carl Parker as president, and Shiloh with Mrs. B. N. Secrest as president. We also recognize Monroe First as making 360 points on the achievement chart in mission study.

We believe that one of the first necessities of a WMS is to have an interested Pastor. We deeply appreciate our pastors who have been interested and have guided and advised us. We are grateful for our husbands and the men of the churches who have shown such a willing spirit of cooperation in our work. Many times they have helped with our study courses and for years have helped with our special offerings. We are indebted to them for the part they have in Woman's Missionary Union. We want to give thanks for Mrs. John A. Bivens who has served as Superintendent of WMU of this Association for six years. We want to express our deep appreciation for her splendid and effective service. Much progress has been made under her leadership. It is a pleasure to work with the 44 presidents, with the Youth Directors and Counselors, with the Executive Committee of WMU. Our relationship is one of cooperation to promote Christian Missions.

We are reminded of Miss Annie Armstrong whose watchword was "Forward." She wrote, "Though doing more than before, is this at all the measure of what we ought to do?" and again she wrote, "So much is still to be done, that there is no time to stop for congratulations or praise." We hear the words of our watchword, "Behold, I have set before thee an open door." We know our door is one of opportunity and responsibility. We would answer with the words of our song for the year, "Lead On, O King Eternal."

Respectfully submitted,

Mrs. W. A. Funderburk

REPORT ON CHRISTIAN LITERATURE

It is of utmost importance that we Baptists keep ourselves informed, if we are to sustain our interest and give intelligent support to the work of the Lords continuously. It is particularly important for Baptist to be supplied adequately with reliable information and to keep themselves informed because of their insistence upon individual freedom and personal responsibility to cooperate voluntarily in all service for our Lord.

"Informed people are interested people" is a statement that is often made and always true. For informing the people, Baptists are greatly interested in literature—the things people read. They, therefore, seek to do three things: (1) Produce good literature in great quantities, (2) give this literature wide circulation, and (3) encourage their people to read their Baptist literature. All of these are necessary, and all are

being done effectively. Perhaps, the third, encouraging the people to read the literature they receive, is the one which needs most emphasis now.

Baptist books, tracts, quarterlies, magazines, and papers of various types and of good quality are being produced and distributed, in ever-increasing quantities, by our churches, associations, and conventions (state and southern). Bulletins and calendars published by churches (often in cooperation with our Southern Baptist Convention) contain a wealth of information about our local, south-wide, and world-wide work, and are profitable reading for every Baptist.

The associational minutes and monthly statements in associational letters and periodicals are valuable in maintaining unity and progress of churches in an association. Likewise, the state convention minutes, and the W. M. U. convention minutes, and the state denominational paper, The Biblical Recorder, give information annually and weekly concerning the individual and collective work of churches not found in any other publications, anywhere.

No church can afford to neglect the circulation and use of its own Southern Baptist Convention Literature. We have for our use, all by Southern Baptist, hymnals, quarterlies, magazines, and books.

People are going to read something. Let us encourage them to read the best by seeing that our Baptist literature is made available to them. It is the only reliable and adequate source of information regarding our Baptist work.

The following statement concerning circulation of The Recorder, Home Missions, and The Commission concludes this report:

Recorder, Sept. 30, 1956	62,155
Churches on club plan	1,073
Churches on every family	393
Churches on group plan	1,496
Commission, Dec. 1956	134,063
Home Missions, Dec. 1956	167,000

Recorder rates, Single $2.50; Club $2.00; Every family $1.50.

Commission, $1.50 Yr., three years $3.00, Church Club, 10c copy, every family 88c.

Home Missions, 50c year, three years $1.00, club ten or more 40c, Budget 32c.

REPORT ON THE COOPERATIVE PROGRAM

The Cooperative Program is a plan for the distribution of our mission gifts which had its beginning as a Convention program in 1925 with the agreement between the Soupthern Baptist Convention and the Baptist State Coventions with an idea of a fifty-fifty division set up between the Southern and State Conventions.

The Cooperative program is Southern Baptist wisdom, order and decency at work in money matters. It helps us to see all of our causes as a whole. It provides an economical collection and distributing method for our great work. The Cooperative program tends to control overspending and indebtedness of our different agencies. It provides a way for the gift, large or small, to help in every ministry that Christ taught his children to help with.

Out of the fifty three churches of the Union association only six failed to give through the Cooperative program. It is the sincere prayer and hope of the committee that 1958 will find Union Baptist one hundred per cent in her support and cooperation through this medium.

MINISTER RETIREMENT

Minister's Retirement was organized in 1918 with a grant of $100,000 from the Sunday School Board. Since then it has enlarged to include all Southern Baptist Pastors and laymen.

In North Carolina as of this year 787 persons are participating in the Minister's Retirement Plan. Of this number 232 are carrying the

Widow's Supplement Annuity plan. Beginning with the first of January, 1956, the Southern Baptist Protection Plan was introduced to replace and supplement Minister's Retirement. Under this plan there is greater protection and more benefits, and it is especially beneficial to younger pastors to enter this plan rather than Minister's Retirement. One could transfer to this plan until January, 1957 with full credit of dues. Under this plan there are widow benefits in the event that a minister should die before he reaches 65 years of age.

Sixty-five per cent of our Southern Baptist pastors are not members of any plan. These are prospects for relief rolls. Churches should feel a responsibility for their pastors not only in retirement years but in active service. In the event that a pastor became disabled in early life and was not a participant in the Retirement Plan, it would be difficult indeed for him to make ends meet. There is increasingly a large number of younger pastors disabled through overwork or emotional strain and stress and in death. Family benefits are necessities in the event of either.

Dues are payable in the Southern Baptist Protection Plan by the members at a rate of 5% of the "salary base" up to the maximum salary of $4,000. This is matched by a 5% contribution from the local church and 5% by the Convention. Should one decide to drop the plan he would lose what is put in by the church and convention and could draw out his initial payments with interest. In the event that a participant changes states in which to live, he can secure transfer without loss of benefits. State benefits vary to some degree.

Monthly benefits paid out to some 80 annuitants, 4 disabled ministers receiving benefits and 36 widows receiving benefits, amounts to $4,869.66 or a total of nearly $60,000 per year.

There is a service by the Relief and Annuity Board in the form of "direct relief" in grants to retired ministers and widows who have not had the opportunity of participating in any Annuity Protection Program.

Ottis Haigler is with our State Convention in Raleigh working with the Retirement Plan. Those who desire information or who wish to make changes may contact him at 119 Hillsboro Street, Raleigh, for such information and help.

N. C. BAPTIST HOMES FOR AGING

This, the seventh year of operation of the Baptist Homes for the Aging, has been the greatest year of expansion, thanks to our Lord for His continued favor, and the North Carolina Baptists for their increased support.

The new Administration and Residential Building was opened June 13. All rooms are now occupied, except four in the infirmary, which are reserved for residents who will need them.

The new building increased facilities to 112 residents, counting residents at Resthaven and the Albemarle Home. It also added half a million dollars to the value of the assets of the Homes for the Aging.

Another forward step was taken in July when the General Board voted unanimously to accept the offer of Don G. Matthews, Sr., Hamilton, N. C., to give $50,000 and land on which to build a Home for the Aging in eastern Carolina. This fourth Home will probably add space for approximately forty additional residents, thus bringing the total capacity of all the Homes to 150 residents.

Two Wills have been probated in Forsyth County in which the Homes were remembered with sizable gifts when received. Word has come of other Wills in which the Homes will share.

A total of about eighty-five thousand ($85,000) dollars has been received from the February Special Day Offering. This represents an average gift of ten (10c) cents per Baptist—850,000 in number.

The challenge facing the Homes for the Aging at present is to finish paying for the new building, although the Baptist State Convention authorized that the Homes might borrow up to one hundred seventy-five thousand ($175,000) dollars to finish paying for the construction and equipping the new building on Reynolds Park Road. Actually, it was not necessary to borrow but one hundred thousand ($100,000) dollars. Surely, with all North Carolina Baptists responding with a generous Special Day Offering on the third Sunday of February, 1958, and with continued gifts coming in from other sources as they have been in the past, this balance of one hundred thousand ($100,000) dollars, should be paid within the year. Accordingly, if every pastor and superintendent of the Sunday School will urge the members of each church to respond to this worthy cause, the Baptist Homes for the Aging would be free of debt by the end of the year, 1958.

The residents, and all connected with the Homes for the Aging, are deeply grateful for the support received in the past, and join with the Baptists of our state in thanking God for His favor and blessings year by year.

The state of health of the residents has been remarkably good, considering their ages 65 to 97 years.

CONSTITUTION
OF THE
UNION BAPTIST ASSOCIATION

Article I — Name

This body shall be known as the Union Baptist Association of North Carolina.

Article II — Purpose

It shall be the object of this Association to promote the Kingdom of God on earth in compliance with New Testament principles, and in co-operation with the Baptist State Convention and the Southern Baptist Convention. It shall also devise and promote measures for increasing the harmony, intelligence and spiritual power of the churches.

Article III — Membership

The Association in the transaction of business, shall be composed of the pastors of the churches constituting it and the duly elected messengers of the churches. Each church shall be entitled to three messengers for the first hundred members or fraction thereof and one for each additional hundred. No church shall be entitled to more than ten messengers.

Article IV — Powers and Prerogatives

1. The Association shall have no right to infringe upon the sovereignty or rights of usefulness of the churches. All the churches constituting the Association remain soverign and independent bodies. It may advise the churches, and recommend measures for their adoption, but cannot bind them in any way. However, it may justly claim for itself, for its objects, and for its recommendations the very highest consideration and regard.

2. The Association may at any time dissolve connection with any church that becomes heterodox in doctrine or disorderly in practice or that fails to represent itself either by messengers or letter for two consecutive sessions without sufficient reason, or that ceases to be missionary in practice. This cause fostered by the denomination at large and of this Association in particular shall be the test of each church as a missionary body. The Co-operative Program shall be the recommended means for the support of Convention objects.

Article V — Duties of the Church

SECTION OF REPORTS

Report of the Associational Executive Committee

The Executive Committee of the Union Baptist Association met four times during the year 1957-58 in the Education Building of the First Baptist Church, Monroe, N. C. The following is a brief sketch of the high lights of the meetings.

December 10, 1957

The moderator presented the report containing the names of the Sub-Committee members recommended to serve in the Association for 1957-58 and informed them of their respective duties, and the report was adopted. The Associational treasurer reported that there was a balance in the treasury of only $108, and that the Association was operating in the red financially.

March 11, 1958

Again the matter of finances in the operation of the Associational program was discussed, and it was reported that the Association was operating just barely in the black financially. The Committee voted to recommend to the churches in our Association to participate in the Simultaneous Evangelistic Crusade March 15-29, 1959, in our Convention. The moderator reported on the activities of our field worker and also reported that the North Monroe Baptist Church had purchased a lot near the radio station WMAP in the Camp Sutton Area on which to relocate.

May 30, 1958

The main business of this meeting was *how* and *whether* to try to continue to maintain a full-time Associational Missionary in our Association in view of insufficient funds in the treasury. In addition the following recommendations came from the Associational Missions Committee and were passed: (1) That the Associational Missions Committee, Vice-Moderator, and Clerk be instructed to secure suitable space in Monroe for the Field worker's office by Sept. 1, 1958; (2) that the request of the North Monroe Baptist Church for $3000 aid on purchasing a lot on which to relocate be approved and sent to the General Board of the Convention; (3) that Rev. L. E. Bookout serve out the unfinished term of Rev. E. E. Talbert, Chm. of the Evangelism Committee, who was leaving our Association. Following these recommendations and adoptions, the Program Committee's report (containing a proposed program for the Annual meeting of the Union Baptist Association to be held Oct. 28-29 at the Monroe First Baptist Church and the Mt. Pleasant Baptist Church) was presented to the Executive Committee, discussed and adopted.

September 4, 1958

The moderator announced the opening of the Associational office at 213 North Main St. in Monroe. Rev. R. V. Greer gave a financial report and reported that the Association was some $275.00 in the red financially. A proposed budget for 1958-59 was presented, discussed and adopted. The Committee also discussed and passed a recommenda-

tion to ask aid from the State Convention for our Association in the amount of $600 for the coming year.

Concerning the above sketch of the activities of the Executive Committee of our Association this past year, I should like to say three things:

1. The Executive Committee has been at work in the vineyard of the Lord in our Association.
2. The Committee has concerned itself with varied matters of great interest and importance to Baptists of Union County.
3. The most difficult problem it has to deal with has been that of how to carry on our Associational Missions program with insufficient funds.

Respectfully submitted,
Victor S. Batchelor, Clerk

Sunday School Report

As we attempt to bring the annual report of the Sunday School work done in our association the past year, we are mindful of those who invested time, energy, means, and personality to their task that the Sunday School Program might go forward.

We are happy to say that a wonderful work has been rendered by every member of the associational Sunday School staff.

A one night clinic for officers was held.

A one night teaching clinic for all teachers and officers of the association was held—led by a staff from the State Sunday School Board.

A series of teaching and instruction periods was given in June by Miss Elba Rouse at the First Baptist Church, Monroe. The same was given again in October.

There were one hundred persons who attended the weekend Sunday School Conference at Fruitland in July—the largest number ever attending a weekend conference on record in the State.

We are thankful for everyone who helped to make this report possible, but we give God the praise for it all, because without Him we can do nothing.

It is our prayer that we shall all look out around us and see the work to be done, then find our places in the service of our Lord and in our Sunday Schools that the word might be taught to all people.

Respectfully submitted,
Avery Parker

Training Union Report

To see a person be born into the Kingdom of God, join the Church of Jesus Christ, then go through life without training himself in Church membership is like seeing a child physically born into this world and denied the opportunity of an education. It is the responsibility of each and every Church (1) to offer a training program and (2) to lead every new convert into this program. This program, of course, is the

Training Union which has as its aim, "Training Christians in Church Membership."

We are proud of the progress made in our Association, our state, and throughout the whole Southern Baptist Convention this past year.

On the convention level we have grown to the extent that:

A. 88% of all Baptisms come from Churches with Training Unions.
B. 95% of all gifts to missions come from churches with Training Unions.
C. 75% of all full time Christian workers in the Southern Baptist Convention say the Training Union played a big part in helping them choose their life's work.

After looking at statistics like these, we can not help but be optimistic about the future as we endeavor to put a training program in every Southern Baptist Church. After all, the Training Union is a part of the Church. I cannot agree with a person who says, "Our Training Union is weak." It is not the fault of the Training Union but the Church which causes its weakness.

On the Associational level, we are disappointed because there are yet 16 Churches in our Association with dark windows on Sunday night. We are proud because of the progress made in the last 12 months.

A review is as follows:

October—We got off to a good start on Oct. 7 with an Executive Meeting at the home of J. C. Underwood, with eighteen out of twenty-six officers present. We made plans for the first quarter of the Associational year.

November—Officers' and Leaders' Conference at Sandy Ridge on Nov. 4. Attendance—84.

December—This month which will long be remembered because on Dec. 2 at Monroe's First Baptist Church 651 people made their way to the beautiful new sanctuary for our "M" Night program. Dr. Jack Flanders, Professor of Religion at Furman University, brought the message and 4 Associational officers presented our calendar of activities for 1958. Special singing by the Wingate College Choir was a high light of the evening. 31 of 36 directors and 23 pastors were present.

January—Executive Meeting at Rev. Brady Connell's home on Jan. 6. Enlargement Study Course at Benton Heights on Jan. 13 taught by state worker.

February—Officers' and Leaders' Conference at Benton's Cross Roads Baptist Church on Feb. 10. Good attendance—19 churches represented.

March—Tournament eliminations were held at Shiloh on March 31. Mrs. Tom Rushing of Marshville won the Adult Bible Reading Contest and Jackie Starnes of West Monroe was the sword drill winner. They represented us in the Regional Convention on April 21.

April—We started the third quarter with an interesting meeting of our Associational officers. Then on April 12 our planning paid off when

we had our largest Youth Night ever. Two young girls and one young boy gave their testimonies on how they chose their vocations. This was a follow up of our study courses in March on Vocational Guidance. Mr. and Mrs. Bennett Straughn brought the message.

May—Officers' and Leaders' Conference at West Monroe.

June—Mass Meeting by groups held in Marshville, Central, and Benton Heights.

July—Executive meeting at the home of Rev. V. S. Batchelor on July 7.

August—Officers' and Leaders' Conference at Benton Heights on Aug 4.

September—Our last meeting of the Associational year was held at Shiloh on Sept. 1. We had an attendance of 200. The new officers were presented and Rev. Dewey Hobbs brought an inspirational message.

Our records show 22 churches requesting 897 study course awards.

As we enter the new year, we have two big goals which we are working and praying for: (a) A Training Program in every church, and (b) a better program in those Churches which already have Training Unions.

Brotherhood Report

A prominent minister once defined a brotherhood as a group of redeemed men banded together to do spiritual work. We feel that this is a good definition of the work "brotherhood" and that wherever this has been carried out, the individuals have been blessed, leadership has been developed and the church strengthened.

According to our information, brotherhoods have been organized this year in the following churches: Centerview, Corinth, Hartis Grove, Midway, New Salem and North Monroe. We found the men in these churches ready and willing to dedicate themselves to the spiritual work of their respective churches.

Our Royal Ambassador leader, Mr. S. C. Harrill, reported a busy summer of activities with our R.A.'s. There were eight teams in the R.A. baseball league with Oak Grove the winner. There were four teams in the R.A. soft ball league, with Wingate the winner. We congratulate the winners and extend our sincere thanks to Mr. Harrill and all those who helped with our boys' work this year. The R.A.'s of Benton's Cross Roads were organized this year, and we welcome their chapter to our group. We realize that each time the men invest in the boys' work we are helping our men of tomorrow and hope that each church will come to recognize the importance of this phase of our work.

Report on Christian Education

In presenting information to our Baptist people on the work in our seven colleges we are never sure that we answer those questions uppermost in their minds. For information to be most meaningful it must be interesting and helpful to the person reading. For the prospective student it must tell him about the courses offered, the standing of the college, and the costs to the student. Such questions are answered by stating that all these Baptist Colleges are fully accredited by our North Carolina College Conference and the Southern Association of Colleges and that they are basically liberal arts colleges, preparing their graduates for entering certain general professional occupations or transferring to other colleges and universities for further study. The costs for the student are comparable to those in other colleges of like standing with generous provisions for various types of financial assistance in grants as well as work scholarships.

In thinking of Baptist people in general we would remind them that our five-year junior colleges and our two four-year senior colleges are not only good colleges from an academic standpoint but they are Christian in purpose and motivation. We believe these colleges embody the "Seven Marks of a Christian College" as follows:

1. Christian Ownership—These seven colleges are owned by the 844,689 Baptists of North Carolina who delegate their operation to trustees elected by the Baptist State Convention.

2. Christian Administration—The Christian men and women who are elected as trustees select others as administrators who are dedicated to the advance of the Kingdom through the training of young men and women for Christian leadership. We believe our seven Baptist Colleges have Christian administrators.

3. A Christian Faculty—More than 40 competent Christian men and women are employed as teachers. They are chosen for their personal Christian dedication, their intellectual honesty, their educational preparation, and their ability to teach. The Christian faculty constitutes the first imperative in a Baptist College.

4. Christian Students—A Christian College campus provides the finest educational environment for young people coming from a Christian background. In such a climate young Christians develop more completely and non-Christians are more readily helped educationally and personally.

5. Christian Ideals—Christian education takes total knowledge and translates it into the practical, workable, durable pattern of personal living for a purpose: service to God and mankind. This is no small ideal, but it is the ideal to which Christian Colleges pay allegiance.

6. Christian Teachings—The basic interpretation that flows from Christian truth enhances every subject taught in our seven Baptist Colleges. The content of these academic subjects is alike in all good colleges. The basic differences lie in the application of the dynamic faith

of the Christian religion; thereby, adding new light and new truth to the mind of the student.

7. Christian Service—The end product of a Christian College will be found in Christians at work for the Kingdom as teachers, preachers, missionaries, housewives, business and professional people, politicians, etc. After completing their studies, these graduates of our Christian colleges go out with a fresh breadth and wholesome outlook of Christian faith in whatever they may do.

Believing that North Carolina Baptists have seven colleges working to make these seven marks of a Christian College effective in all respects, let's take a look at some interesting statistical and financial materials as follows:

Six of our seven Baptist colleges are co-educational (for both men and women); Meredith is for women only.

All of our colleges major in the liberal arts and sciences. Liberal arts credits from the junior colleges are all acceptable at the senior colleges.

All the junior colleges (and the senior colleges in selected fields only) provide terminal courses in vocational areas (secretarial, etc.). Chowan also offers training in the graphic arts (printing).

Teachers in all the colleges meet frequently to discuss common problems and the improvement of their work in all subjects.

Our own Wingate Junior College has had recent unbelievable growth, and our own county, as well as responsible business men and firms have evidenced confidence in Wingate as not evidenced before. The total enrollment at Wingate is now 752. Enrolled from Union County is 137. Baptist affiliations total 397.

The Council on Christian Education of the Baptist State Convention of North Carolina is the correlating agency for all our seven Baptist colleges.

All of our colleges are fully accredited by the *Southern Association of Colleges and Secondary Schools,* and are members of recognized educational associations.

One-eighth (7,634) of all students in North Carolina's 61 colleges and universities are enrolled in our seven Baptist colleges.

CHRISTIAN EDUCATION DAY — FATHER'S DAY

Beginning in 1957 Father's Day has been designated for our Christian Education Emphasis in North Carolina Baptist Colleges with a special offering for providing financial assistance for hundreds of fine students unable to attend college without such help. The Baptist Council on Christian Education expresses the hope that through increased financial assistance through the Cooperative Program and this special Father's Day offering it will be possible for these colleges to maintain their high standards of training without increased costs to students. The costs of college education have doubled in recent years and will continue to rise; but Baptists must find some way whereby these climbing costs can be met without becoming prohibitive for our fine Baptist young people who are not always among our higher income citizens.

WHAT OF THE FUTURE OF N. C. BAPTIST COLLEGES?

In this question rests the future of our Baptist program. Without dedicated trained leaders we shall not be equal to the opportunities confronting us. The number of youth going to college will increase rapidly and many more of our Baptist youth will be seeking admission into one of our Baptist colleges. Perhaps we should forego the temptation to outline a program of advance at this time and await the report and recommendations of the various Convention Committees now considering the total program of Baptists.

KEEPING OUR COLLEGES BEFORE THE PEOPLE

We are ever aware of the need for keeping our people informed about their colleges. Through the *Biblical Recorder, Charity and Children,* college publications, and the daily and weekly press reports, we attempt to tell what is happening in all our colleges. In addition, we provide preachers and speakers for church gatherings, and numerous other means of communication. We hope that local churches will invite students in our Baptist colleges to speak to their people. We urge pastors to keep in close touch with their students and encourage them. As Baptists we must have our colleges and they must have our confidence, our love, and our support.

Annual Woman's Missionary Union Report

It has been a pleasure, a great responsibility and a wonderful privilege to work with the consecrated associational WMU officers, directors and chairmen together with the local officers, directors and chairmen and even to every member who has contributed in any way through *Woman's Missionary Union* to spread the news of salvation in our own community, association, state and even to the uttermost parts of the earth. We give thanks to our Heavenly Father for the opportunities of service which have been ours.

It has been a year of many activities: Sunbeams have had two association-wide meetings; Girls' Auxiliary has had two association-wide meetings; the Executive Committee has met quarterly. Other association-wide meetings consist of one Mission Study Institute, Pastors' Wives Dinner, the leadership conference last October and the annual meeting in the Spring with Monroe First Church as hostess. (Our guests for the annual meeting were Mrs. Burton D. Davis of Brazil and Miss Miriam Robinson, executive secretary of WMU in N. C.) Many of our members attended the Charlotte Regional Conference in Albemarle on September 18. The association was represented at the State WMU meeting last March in New Bern by the Superintendent and Mrs. John E. Polk of the Fairfield Church. We are grateful that some of our members attended Woman's Missionary Union Conference at Ridgecrest in August; some of our YWA girls attended YWA Conference at Ridgecrest in June; some of our GA girls attended camp at Fruitland and others attended the Charlotte Region Camp at Wingate. Through all these meetings we believe we have a better trained leadership, with greater vision and more inspiration to go forward in the work.

We are happy to report two new Woman's Missionary Societies. One was organized at Hartis Grove on April 30, and the women of Central organized on May 3rd. Three YWA's were organized and GA's that were not active became active in two churches. We are saddened by the fact that two of our societies have ceased to function and pray

that the work will soon be activated and alerted to the needs and opportunities that are ours.

We had an increase in the number of Mission Study Classes for WMU, but a decrease in number of classes for our Young People's organizations. We also had a decrease in number of books read in all organizations. However, we have a total of 1172 subscribing to the WMU magazines, namely: *Royal Service, Window of YWA, Tell*, and *Sunbeam Activities*. We are thankful that 31 of our societies reported observing the Week of Prayer for Foreign Missions and that 14 of them had a five day observance. 29 societies observed the Week of Prayer for Home Missions and 12 had a five day observance. The needs of both Home Mission Board and Foreign Mission Board present a challenge to us to pray and give more. We have never failed to reach our goal for the Lottie Moon Christmas offering but we failed to reach our goal for the Annie Armstrong offering again this year. Therefore we are placing special emphasis on our Week of Prayer for Home Missions and on the Annie Armstrong offering for this next year. Eternity can only tell of the many deeds of kindness, words of encouragement and results of work done through planned community missions and our program of soul winning visitation.

As we look forward to our Third Jubilee in 1964, we are setting up goals for each year which will require planning, praying and working by each organization. Let us be faithful to the task as we "Sing unto the Lord, bless His name, show forth His salvation from day to day."

Respectfully submitted,
Mrs. W. A. Funderburk

Report on Christian Literature

The contacts, impressions and surroundings of a person largely make up his mind, habits and actions. Never before has there been so much to read. Much of the popular literature is bad. It is unloaded by its publishers, in such a fashion that much of this unclean literature pours into Baptist Homes. This never should be, for no other denomination has so wide a variety of good literature as Baptists have to meet the spiritual interest and needs of every member of the family. Let us remember always that Baptist literature aims to enlist, unify, teach and inspire people for nobler Christian service.

The growth of Baptists and the development of our missionary enterprises can be traced by a study of our literature as it has developed through the years. Baptists have always been the champions of enlightenment, and we are therefore great producers and users of literature. We realize also that literature can be used to promote error as well as truth, and this has made us jealous of our right and obligation to produce our own, and make it the very best possible. Vast quantities visual guides are being produced and made available to our people.

We should like to emphasize one fact in this report, namely, Baptist literature is produced by Baptists and for Baptists, and it is the

of magazines, quarterlies, program materials, tracts, books and audio-best literature a Baptist can obtain. May we keep our doctrines pure and our churches strong by informing our people through the generous use of our Baptist literature.

Our state paper, *The Biblical Recorder,* promotes and interprets all our Baptist work. It should go into every Baptist Home in North Carolina. The Recorder was founded in 1833, to help carry out the noble aims of Baptists. For 125 years it has borne the Baptist message in North Carolina. The circulation, at the present, is approximately 61,000 and growing. Recorder rates: Single $2.50; club $2.00. Every family plan $1.50.

Sam O. Stevenson

Good Government Report

We believe that good people need, and want good government. We believe that good government should be based upon principles of God's word, and directed by the Spirit of God, and influenced by the voice and example of Christian men and women.

There has been a lot in the papers about some men in office, whose lives have not been what they should have been. I wrote one Governor and thanked him for trying to give us better government than it looked like some of us wanted, by the way we voted.

There is always the problem of strong drink. A leader said in Charleston the other day, that alcohol costs the United States 36 million man hours of work a year, and that a great percentage of the car wrecks would never happen if it were not for this evil.

"And the annual traffic in obscene literature exceeds $500 million, an increase of $200 million within the last two years. This printed poison has been so revolting to any sense of decency that several of the state governors have appointed commissions to study its actment of legislation to control it."

We always should be alert to the danger of losing in the separation of church and state. There are too many dangers in this to name them all in this brief report.

Capital and labor have their issues to try to settle from time to time. Differences between the nations, and races have also become so numerous, and serious that it is hard for some people not to lean too far backward, or fall on their faces. But whatever your thoughts are, or mine are, let us speak, and think and live as becomes the children of the living God. Remember that "we always should watch over one another in brotherly love, remember each other in prayer, aid each other in sickness and distress, cultivate Christian sympathy in feeling, courtesy in speech, and be slow to take offence, but always ready for reconciliation, and mindful of the rules of our Saviour to secure it without delay."

Report of the Radio and Television Committee

The Radio and Television Commission of the Gospel of Christ through radio and television. Through the efforts of this Commission "The Baptist Hour," featuring leading Baptist ministers, is broadcasted over more than 480 radio stations in the United States, in Europe, Central and South America, and the Far East. The speaker for the next six months is Dr. H. H. Hobbs. This program is brought to the radio audience of Union County through the facilities of the radio station WMAP, and is not sponsored by the Association.

Another forward step in the work of this Commission is the completion of a new series of films for the television program "This Is Your Answer." One hundred TV stations throughout the nation are to begin carrying the new series in January, 1959. The first series, introduced in 1956, was shown on 210 United States television stations.

The Commission set as its goal this year the reaching of 173,000,000 Americans with the Gospel of Jesus Christ. Also, in the words of its director, Paul M. Stevens, "the Commission's best use of radio is to plant seeds, rather than to reap a harvest; to supplement the local pastor's efforts, rather than to substitute for him. These programs prepared by the Commission will assist your pastor as he strives to reach the lost and indifferent people around him."

North Carolina Baptist Children's Homes

The year 1957-58 has been a fruitful one in expanding services. Since October 1, 1957, North Carolina Baptists have directly served a grand total of 753 children. In addition to to these, our social workers have been able to place with relatives or other agencies more than 200 children where their needs are now being met. Each application has been investigated by our case workers. During the past year we were able to admit about one-fourth of the applicants as compared with one-fifth admitted in 1956. Through the dedicated resourcefulness of our social workers, may homes were re-established while others were saved from breaking.

Last year's report pointed up the need for expanding our Foster Homes and for the care of the Indian children at Pembroke. The Baptist State Convention at its annual meeting last November voted unanimously to accept the recommendation of the Board of Trustees of the Baptist Children's Homes and to make the Odum Home at Pembroke a part of the North Carolina Baptist Child Care Program. This work with 16 children has been under the care and support of our Homes since January 1958. Money has been set aside to build a new cottage at Pembroke for the Indian Children. We are now working to get a clear title to the land. When that is done, we will move more rapidly to erect the building.

North Carolina Baptists have two sources for supporting the Children's Homes: Source Number 1 is a combination of the Once-A-

Month Offering and the Cooperative Program. Through this plan the Homes receive a fixed amount. This cannot be increased or decreased except by vote of the Convention. Source Number II is the "Thanksgiivng Offering" which comes to the Children's Homes. Last year we asked for an increase of 10% in the Thanskgiving Offering. The churches responded with a 15% increase. This increase of $31,000 enabled us to support the Indian work at Pembroke and at the same time to expand considerably the Foster Home Program. We have confidence that North Carolina Baptists will continue to remember deserving children at Thanksgiving with a generous offering.

During the coming year a cottage will be erected at Mills Home for boys and a cottage at Kennedy Home for girls. These new buildings are being made possible by special gifts and bequests.

A bundle of Charity and Children should go into every Baptist Church in the state. If your church is not receiving this attractive and informative paper each week, please write Editor Marse Grant at Thomasville immediately and begin a club in your church. All pastors and Sunday School superintendents will receive complimentary copies if they will send their names the editor.

Most important of all, remember to pray for the children being served by your Children's Home. Some carry heavy burdens which can be lightened with your prayers and material support. Pray for our work in your North Carolina Baptist Children's Homes.

Respectfully submitted,
J. L. O'Quinn

North Carolina Baptist Hospital Report

The Baptist Hospital opened its doors to patients in May, 1923, as an 80 bed general hospital. The original nurses home was built soon thereafter and the hospital was increased to 100 beds and remained as such until 1941 when the Medical School was moved to Winston-Salem, adjacent to the hospital to help form a medical center. Since that time the buildings have been increased by one addition to the nurses' home and the addition to the hospital of the following units: the west wing, the pediatric wing, the Out-Patient Clinic building. The hospital now has 450 beds including the nurseries and provides specialized service in all the medical and surgical specialties.

Dedicated to the service of those in need of medical care, the education of young people in various branches of the medical profession and the advancement of research, the Baptist Hospital, stands as a living working example of man's striving to follow the teachings of Christ to be his brother's keeper, to heal the sick.

A Christian institution such as Baptist hospital must look beyond its own immediate needs. It has obligation to youth, to the healing professions, and to humanity. It must train your men and young

women in the necessary technical skill to equip them to take their places in the never-ending battle against sickness and disease.

Realizing this obligation, Baptist Hospital operates a group of schools to provide training in a number of medical specialties. Included in our Baptist Hospital's educational services are the schools for Nursing, Practical Nursing, X-Ray Technology, Nurse Anesthetists, Laboratory Technology, Medical Record Libraries, and Medical Internship, and training in Pastoral Care.

Care of the sick is the first duty of a hospital. How well Baptist Hospital fulfills this primary obligation of its ministry is shown by its record of service last year. To illustrate the continuous devotion to duty of our men and women and the constant use of our physical facilities in the service of the sick, here are a few statistics:

15,910 bed patients received 125,000 days of nursing care.

120,000 visits were made to its clinics and offices of its medical staff and chaplains.

6,728 operations were performed in seven major operating rooms, an average of 19 per day.

The emergency room's average was 30 visits a day, a total of 10,948 for the year.

The School of Nursing has graduated 803 nurses since it was established in 1923.

The School of Medicine has graduated 694 doctors since it opened in 1941.

The work of our Baptist Hospital is never done. There are few spare moments for its people or for its modern equipment. In the care of the sick, in the training of men and women for service in the premedical and medical professions, in the preparation of theological students and ministers for more effective pastoral care, Baptist Hospital is, first of all, a Christian institution devoted to a Christian Ministry.

Once each year—on Mother's Day—we North Carolina Baptists give funds to help provide care for the needy sick at our Hospital in Winston-Salem. Our interest in North Carolina Baptist Hospital, however, is a year-round matter, for it is our own Medical Center, ministering with skill and understanding to all who need its services—whoever they may be and whatever their financial status may be.

Ministers' Retirement Report

Since its organization 40 years ago, the Relief and Annuity Board has paid out benefits totaling nearly $27 million. In 1957 alone, $2,245,861.18 in benefits were received by more than 5,000 retired or disabled ministers and denominational leaders and widows.

At the close of 1957, there were approximately 17,500 active members in the Board's various retirement plans, with nearly 20,500

churches, boards and agencies cooperating. During the year membership in the plans increased by 2,454.

Each year continues to show an increase in the number of retirement, disability and widow annuities. Last year 503 persons were added to the Board's Annuity roll, 136 more than the previous year.

Presently, only 34% of our southern Baptist ministers are enrolled in the Annuity Board's Protection Program. Out of the approximately 11,000 Southern Baptist churches participating with their pastor in this protection, around 36% are paying both member and church dues. It is hoped that our churches in the Union Association will give this matter some serious thought as a possible solution to giving our pastors and their families the protection they need through the Annuity Board's Program.

On July 1, 1957 602 members were participating actively in the North Carolina Minister's Retirement Plan. As of the same date in 1958 the Minister's Retirement Plan membership stands at 553. This reflects the decreasing trend as expected since the plan was closed to new members on January 1, 1956 when the Southern Baptist Protection Plan became operative in our state. At present 190 annuitants are receiving benefits from the Minister's Retirement Plan and one from the Southern Baptist Protection Plan.

On July 1, 1957, we had 302 members in the Southern Baptist Protection Plan. During the year 115 new certificates were issued; 6 Minister's Retirement Plan members transferred to the Protection Plan; 20 transferred from other states to North Carolina for a total increase of 141. On the other hand, 6 North Carolina members transferred to other states and two members withdrew from the plan, leaving a net increase of 133 so that the Protection Plan now has 435 members. We have pending and in process 38 applications making a total of 473.

Total membership in both Minister's Retirement Plan and Southern Baptist Protection Plan now stands at 1,026. This means that about 35% of our possibilities is covered in our Plans.

We urge that the churches sit down with their pastor and discuss these protection plans. Ottis J. Haigler, Baptist Building, Raleigh, N. C., is anxious to help our pastors and churches.

Bill Cooke

North Carolina Baptist Homes Report

The Homes for the Aging are now in their eighth year of operation. Resthaven opened March 16, 1951; the Albemarle Home, December 7, 1953; and the Administration Building, Winston-Salem, June 13, 1957. The three Homes have facilities for 119, counting residents and helpers. The average number of residents will exceed 100.

Efforts were launched in June to raise $100,000 to match a gift of Mr. Don Matthews, Sr. of $50,000. and land on which to build a fourth Home for the Aging to be located at Hamilton, Martin County.

It is expected that the campaign will be successfully completed this year, and the construction of the new home will then begin. This home will provide the facilities for approximately forty residents, giving a total capacity for all three Homes of 150 persons.

The Homes have had a good year financially. The auditor's report for the year ending September 30, 1957, showed that the income was $268,924.58. When the new Administration Building was ready for occupancy, $103,000. was borrowed to finish paying for construction and equipment. All of this has been repaid except $20,000. Funds received from Special Day Offerings and the Cooperative Program have helped to meet the current cost of operation. The Homes have also received help from individuals and corporations gifts. The largest individual gift for the year was $40,000.

A large number of the residents have been aided financially. Less than ten per cent of the residents have been giving to the Homes assets sufficient to pay their cost of keep for life. Thirteen of the residents have paid the monthly rate, which is less than the actual cost to the Homes. Most of the residents are paying one-third to one-half of their cost of keep. This means, therefore, that the difference in cost is taken from funds received from denominational channels and special gifts.

Our program of ministering to the aging presents a great challenge to the 850,000 Baptists of our state. We think first of the ever-increasing number of aging friends needing larger dormitory facilities; and secondly of doubling the capacity of our infirmary in the Administration Building. It now accommodates fifteen patients, but we should have space for at least thirty. It is estimated that elderly people will become invalids at the rate of ten per cent annually. There have been times when we did not have sufficient room for those who needed to be in the infirmary. Our aging friends must look to our Baptist constituency to meet these pressing needs.

With gratitude to all who have made our present Homes possible —churches, individuals and corporations and with confidence that the Baptists of North Carolina will continue to care for these "old soldiers" of Christ in a deserving way, we look to the future with great hope.

Evangelism Report

Evangelism is the heart of God's work on earth. It must be in the foreground of all our endeavors in the churches and associations if we follow the New Testament pattern. Every Christian's greatest privilege and responsibility is to let Jesus Christ work in and through us in evangelizing the world. This is the Great Commission, and to carry it out is to do the work of evangelism.

Let us look briefly at the records of what we in North Carolina,

and the Union Baptist Association are doing in response to this high call of God.

All churches in the Baptist State Convention of North Carolina last year (1957) had a ratio of baptisms to membership of 1 to 25. This was an increase of 4% over the previous year. Total baptisms reported in the State in 1956 were 32,468; in 1957 they were 33,796.

In the Union Baptist Association in 1956-57 we reported a ratio of baptisms to membership of 1 to 32, a decrease of 12% over last year, in percentage, and a decrease in baptisms of 20. Total baptisms reported in 1957 were 398, as against 418 in 1956. This year (1957-58) 43 of our 53 Churches reported 449 baptisms. This represents a gain over last year of 51.

Also, this year (1958) the Billy Graham Crusade in Charlotte, N. C., is reporting an average of about 4,000 decisions for Christ per week during the four week period (based on the averages of the first two weeks). This report, however, includes many who are now members of different churches.

The number of people won to Christ and baptized into the fellowship of the churches gives only a partial picture of the work of evangelism. The remainder of the picture is seen in what happens to the converts after baptism. They must be helped by the churches to become mature, winning witnesses to help win others now, or we shall have failed. Thus the program of evangelism in the churches consists of winning in the total work of evangelism and redemption.

Next year, 1959, beginning with the first week of January with Bible Study, and in February with a religious Census, and Soul-winning Study Course in every church, sponsored by the Training Union, with seasons of prayer by all church organizations, and two full weeks of preaching and witnessing in every church, beginning March 15 and continuing through the 29th, let us engage in the total work of redemption by going all the way in this great Continent-wide Simultaneous Crusade for Christ in Evangelism. This Crusade will be the biggest, most concerted effort ever made to win the North American Continent to Christ, and to experience new depths of dedication to Christ on the part of all church members. Seven major Baptist Conventions in the United States and Canada are cooperating in this Crusade, with 75,000 churches, and a combined membership of 19,000,000. Surely every church in this Association will desire and plan to get into this great purpose of God to reach people. Let us set as our goal 100 churches and members in this marvelous effort with Christ, as we think of I Cor. 3:9 "For we are laborers together with God." Let us hear our Saviour say in John 4:35 "Lift up your eyes, and look on the fields; for they are already white unto the harvest."

Report on Ordination

Only one man has been ordained to the Gospel ministry in our Association this year. The Council met November 24 at 2:30 at the Benton Heights Baptist Church for the purpose of questioning brother Charles Brock as a candidate for the Gospel ministry and recommended that the church proceed with the ordination.

The ordination took place at the Benton Heights Church Sunday, December 1, at 3:00 p.m. Rev. Dewey Hobbs preached the Ordination sermon and N. S. Joyner delivered the charge.

*The Baptists of this Association came directly from the efforts of the early Christian workers of Wales and England. Their first settlements were in Old Welsh Neck section in South Carolina and Old Sandy Creek section in Chatham County. Union County Baptists came from the Old Welsh Neck Section. The Welsh Neck Baptist Church was organized in 1738. In 1793 Lanes Creek Church was organized about two miles West of Philadelphia Church. This Church was the stock of the Welsh Neck Church. The churches that came out of the Welsh Neck Church organized into the Moriah Association in 1815. For convenience of the North Carolina side of the Moriah Association, the Brown Creek Association was formed in 1854. In 1885 the name of Union Association occurred.

**Since the Moderator and the Clerk served the prior year and the following year, it is assumed that they served during this year.

STATISTICAL TABLES

THE BOND'S GROVE MISSION

The Bond's Grove Mission is not included in the statistical tables. However, here is some information concerning it: The Mission is now being sponsored by the Hartis Grove Baptist Church. Jacob W. Mullis is serving as pastor. The total offerings for the year amounted to $321.87. 34 were enrolled in Vacation Bible School. 26 are enrolled in Sunday School. The building has been painted inside and outside. It has four class rooms, but has only three classes at present. The Mission has been self-supporting since its beginning, paying rent, lights, literature, fuel and the expense of painting the building. Two weekend revivals were held.

CHURCH COVENANT

Having been led, as we believe, by the Spirit of God, to receive the Lord Jesus Christ as our Saviour, and on the profession of our faith, having been baptized in the name of the Father, and of the Son, and of the Holy Ghost, we do now, in the presence of God, angels and this assembly, most solemnly and joyfully enter into covenant with one another, as one body in Christ.

We engage, therefore, by the aid of the Holy Spirit, to walk together in Christian love; to strive for the advancement of this Church in knowledge, holiness and comfort; to promote its prosperity and spirituality; to sustain its worship, ordinances, discipline and doctrines; to contribute cheerfully and regularly to the support of the ministry, the expenses of the Church, the relief of the poor, and the spread of the Gospel through all nations.

We also engage to maintain family and secret devotions; to religiously educate our children; to seek the salvation of our kindred and acquaintances; to walk circumspectly in the world; to be just in our dealings, faithful in our engagements, and exemplary in our deportment; to avoid all tattling, backbiting and excessive anger; to abstain from the sale of and use of intoxicating drinks as a beverage, and to be zealous in our efforts to advance the kingdom of our Saviour.

We further engage to watch over one another in brotherly love, to remember each other in prayer; to aid each other in sickness and distress; to cultivate Christian sympathy in feeling, and courtesy in speech; to be slow to take offence, but always ready for reconciliation, and mindful of the rules of our Saviour to secure it without delay.

We moreover engage that when we remove from this place we will, as soon as possible, unite with some other church, where we can carry out the spirit of this covenant and the principles of God's Word.

CONSTITUTION OF THE UNION BAPTIST ASSOCIATION

Article I — Name

This body shall be known as the Union Baptist Association of North Carolina.

Article II — Purpose

It shall be the object of this Association to promote the Kingdom of God on earth in compliance with New Testament principles, and in co-operation with the Baptist State Convention and the Southern Baptist Convention. It shall also devise and promote measures for increasing the harmony, intelligence and spiritual power of the churches.

Article III — Membership

The Association in the transaction of business, shall be composed of the pastors of the churches constituting it and the duly elected messengers of the churches. Each church shall be entitled to three messengers for the first hundred members or fraction thereof and one for each additional hundred. No church shall be entitled to more than ten messengers.

Article IV — Powers and Prerogatives

1. The Association shall have no right to infringe upon the sovereignty or rights of usefulness of the churches. All the churches constituting the Association remain soverign and independent bodies. It may advise the churches, and recommend measures for their adoption, but cannot bind them in any way. However, it may justly claim for itself, for its objects, and for its recommendations the very highest consideration and regard.

2. The Association may at any time dissolve connection with any church that becomes heterodox in doctrine or disorderly in practice or that fails to represent itself either by messengers or letter for two consecutive sessions without sufficient reason, or that ceases to be missionary in practice. This cause fostered by the denomination at large and of this Association in particular shall be the test of each church as a missionary body. The Co-operative Program shall be the recommended means for the support of Convention objects.

Article V — Duties of the Church

It shall be the duty of each church to appoint as far as practicable capable and efficient members as messengers—to insist upon their attendance and to send with them a contribution toward the expenses of the Association, the printing of the Minutes and such other items deemed necessary by the Association.

The churches shall send annually a letter to the Association giving full statistical information and facts concerning their general welfare. These letters shall be sent to the clerk as soon as possible after the end of the Associational year.

Article VI — Reception of Churches into Fellowship

The Association shall be sole judge of its membership and may receive or reject churches applying for membership therein at its pleasure. Orthodox and orderly churches petitioning by letters from another Association of Missionary Baptist Churches, or newly organized Missionary Baptist Church desiring membership and presenting their articles of faith, shall be welcomed, provided: the churches making request for admission shall agree to come under the watch-care of the Association for a period of at least one year. The letters of petition shall be submitted to the Associational Missions Planning Committee. This committee shall ascertain the facts regarding scriptural organization and orderly practice of the church, and evidence of missionary and beneficient ferver in its work. If found satisfactory, the committee shall at the next annual meeting of the Association recommend its reception. If not found satisfactory at the end of one year of watch-care, the committee shall continue to work with the church toward its admission into the fellowship. Upon the recommendation of the committee the Church shall be admitted to membership upon a three-fourth vote of the members present. It is understood that during the period of probation such church or churches shall be entitled to all the rights and privileges of the Association except that of voting.

REPORTS

Executive Committee Report

The Executive Committee met four times during the Associational year: January 13, April 28, June 23 and October 19.

January 13—Attention was called to the sub-committee of the association as printed in the 1958 Associational Minutes and names of omitted committee members were supplied. Attention was called to the fact that eight churches had failed to send in their minute money and pastors were urged to try to get their churches to pay money quarterly to help carry on the associational missions program.

Some matters concerning the coming Simultaneous Baptist Evangelistic Crusade, such as radio broadcasts and Pastor-Evangelist fellowship breakfasts, publicity, televangelism program on WBTV, census taking, Evangelistic Rally on March 9 at West Monroe Baptist Church, etc., were discussed in detail.

April 28—A report on plans for a Seminary Extension Center in Union County was given. J. L. O'Quinn was elected as Vice-moderator of Association in the absence of George Huggins who left the Association. The treasurer reported that we needed funds to pay the April bills.

The matter of giving aid to help the Bond's Grove Mission organize into a church was discussed and a motion passed to refer the matter to the Associational Missions Committee to study and proceed as they so desired.

June 23—C. A. Francis, who has been elected director of the Seminary Extension Center, announced plans for the opening of the school at the First Baptist Church Educational Building on September 8, 1959.

A motion was adopted that Lewis McLean be preacher at the Annual meeting of the Association and James Pressley be alternate preacher to bring the annual sermon, replacing Delmar Griffin and George Huggins, both of whom had left our Association.

The program for the association was passed out and adopted.

R. V. Greer gave a report for the Associational Treasurer, a balance of $214.37. Bills totaling $600 were due, and by July 1 bills would amount to $775 to $800.

A letter of resignation of Brother Earl Underwood, effective August 15, 1959, was read and accepted. Appreciation for his services was expressed.

A motion was passed that the moderator appoint a committee consisting of the Associational Missions Committee, the heads of the four main organizations of Sunday School, Training Union, Brotherhood and Woman's Missionary Union of our Association, Vice-Moderator, and Clerk, to bring a recommendation for study and action to the Annual Association in October, 1959, concerning our Associational Missions Program and office.

A motion was adopted that the finance committee be instructed to write the churches and urge them to continue their support of the associational missions program.

October 19—Committee recommendations to be made to the association concerning the associational Missions Program were read and discussed and representatives from the churches were asked to voice their feelings concerning the recommendations, and their opinion as to the attitude of their respective churches toward them and the whole associational Missions Program.

The various representatives strongly backed the committee recommendations, provided a sufficient salary could be offered and a qualified person be employed to head our associational missions program.

Others spoke out in favor of backing up the associational missions program in our local churches as it should be done.

Announcement was made that a notice would be sent to the pastors and clerks of our churches, asking them to urge their churches to send delegates to the association instructed and prepared to state what they plan to do about supporting the associational missions program and the special committee report concerning the program.

Respectfully submitted,
Victor S. Batchelor, Clerk

Our World Program

As we consider our world program, our minds turn to the words of our Lord when he said, "Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you; and, lo, I am with you alway, even unto the end of the world." (Matt. 28:19-20)

Hear Him again as He said, "Lift up your eyes, and look on the fields for they are white already unto harvest." (Jno. 4:35)

When we think of the work done and the progress made in the United States of America, we as Southern Baptists might be tempted to boast, for since the organization of the Southern Convention, one hundred fourteen years ago, we have accomplished much.

We now have more than 28,000 ordained preachers serving nine million Southern Baptists in our homeland.

But let's look at what we are doing abroad in our great world program.

We have approximately 450 preachers serving the rest of the world. Today, we are facing a world in need of salvation, for of the approximately 2,800,000,000 souls in the world, the majority of them do not know Jesus Christ as saviour.

Since the organization of our Southern Convention, 2,441 of our men and women have given their lives in consecration on mission fields, and we have given approximately $2,000,000,000 for their support.

With the appointment of 21 missionaries in June, we now have a total of 1,355 missionaries serving in forty countries, but even this number is inadequate, for an additional number of 742 are needed now.

The need is great indeed, for in a number of countries where we serve there is less than one missionary to each one million people

In order to keep informed, I recommend subscribing to "Home Missions" and "Commission."

Many doors of opportunity are now open, though some have been closed.

Our Lord has commanded us to go, and the lost world is calling for our help.

Many fields of service for our fine young people are now open, such as religious education, church music, nurses, doctors, preachers and others. For example, in Indonesia, we have only one doctor for each 50,000 and one nurse for each 100,000.

Our pastors and churches have the greatest privilege ever. Last year our State Convention gave approximately three million dollars through the Cooperative Program (undesignated).

If at least 50% of our church members would give the tithe, we could more than double what we are now doing.

Let us, with one accord, give ourselves in whole-hearted consecration as we look on the fields, for indeed they are white unto harvest.

Respectfully submitted,
B. L. Connell

Baptist Children's Homes of North Carolina

North Carolina Baptists have shown remarkable interest in their Children's Homes during the past year. Numerous Church groups have visited the three campuses. Continued financial support has been encouraging. Awakened interest in your Child Care program has been evidenced in many respects.

PROGRAM STUDIED

During the past year members of the Children's Homes staff, under the best leadership available, have engaged themselves in a conscientious study of the entire Child Care program sponsored by North Carolina Baptists. Findings have been gratifying. The program has a commendable history and is one of the *best in the nation.* Every effort is being made by the present administration to continue the best care possible for dependent children.

CHILDREN SERVED

More than 1,000 boys and girls were served by the Children's Homes during the past year. Mills Home, Kennedy Home, and Odum Home provided care for 547 children while 197 lived in Foster Homes. Through financial assistance of the Mother's Aid program 40 children were able to live with their mothers. Supervision and financial help were afforded 30 college students. Resourceful case workers assisted 214 additional children to find homes with relatives and other social service agencies.

COTTAGE CONSTRUCTION

Three cottages are currently under construction—one at each of the three Homes. The Roy Culler family of High Point is providing funds for a boys' cottage at Mills Home. The H. C. Ferebee family of Camden is making possible a cottage for girls at Kennedy Home. The

new cottage at Pembroke will provide administrative offices, living accommodations as well as kitchen and dining facilities for the Indian boys and girls.

ADMINISTRATIVE CHANGE

Mr. Vernon S. Sparrow became Superintendent at Mills Home, Thomasville, July 1, 1959. He comes to this post with an excellent background of training and experience. Prior to Mr. Sparrow's going to Mills Home he served as Associate Pastor and Minister of Education in the First Baptist Church of Lenoir.

SIGNIFICANT CONVENTION ACTION

Significant recommendations relative to the Children's Homes were adopted by the Baptist State Convention in May following a two and a half year study by the Committee of Twenty-five. They are as follows:

1. That the number of children in foster home care be increased to approximate the number in institutional care.

2. That the Children's Homes begin to develop new types of programs to help children who are not being adequately cared for in other ways.

3. That increased attention be given to families throughout the state by well-trained, mature case work consultants to help avoid family breakdowns.

MORE ADEQUATE FINANCIAL SUPPORT

The Convention has voted to bring the *Children's Homes into the Cooperative Program* on the same basis as all other institutions and objects. Churches may continue to send *Once-A-Month offerings* and *special gifts*. Designated gifts from Churches to the Children's Homes will be administered by the Convention in the same manner as designated gifts from churches to other institutions. The Homes are encouraged with this improved financial relationship with the Convention. For lack of sufficient income the Homes operated on a *$22,000 deficit in 1958*. The deficit for 1959 will be approximately *$65,000*. The only way the Homes have of meeting the $65,000 deficit this year is through a substantial increase in the Thanksgiving Offering.

WHAT OF THE FUTURE?

With the increase in population, the development of industry, the growth of cities and the mounting tensions in present day society there is an increasing demand for services to dependent children. Your Children's Homes are being asked by the Convention to expand their services. With your prayers, loyal and generous support, your leadership will continue to move forward as resources are made available.

Respectfully submitted,
C. E. Sigmon

Sunday School Report

The Sunday School has had both encouraging and discouraging moments during the Associational year. There was a decrease in attendance at the Associational meetings, but there was evidence of dedication in those who attended the meetings.

The Sunday School tried to promote Evangelism in the class rooms; A one night Soul Winning Clinic was held, with good attendance; A two-hour Training—Planning Clinic was held for new Associational Officers; There were three Associational meetings held; A group from the Union Association attended the Sunday School Conference at Fruitland in July.

We wish to express our thanks to every one who has worked to advance Christ's Kingdom, and to God be the Praise and Glory.

Respectfully submitted,
Johnnie Hunter

Report of Training Union

A pamphlet sent out by the Mutual Security Program, entitled "A Glance at a Global Program," gives some interesting facts concerning the shrinking of the globe on which we live, and the deep needs of millions of people. For instance, in the mid-twentieth century, distance is no barrier. Once-remote nations are now next-door neighbors.

"In 1900 a man could travel from Moscow to Chicago in about 12 days, with good train and ship connections. In 1938, by plane and ship, he could make it in 8 days. In 1959, a jet can fly from Soviet bases to Chicago, the closest point in the United States via the Polar Route, in around 9 hours. An ICBM would take less than an hour."

Our world is interconnected and interdependent. As President Eisenhower said, "If we are to find the world we seek, we must catch the vision of the neighborhood of the world." And in this world neighborhood of today, once-remote neighbors are now looking over their backyard fences. In this neighborhood, one out of every four persons on this earth earns less than one dollar a week. One out of every three goes to bed hungry every night. Population is growing so fast that the gap between the rich and the poor of this world is widening. In the name of humanity, our instinctive desire would be to help these people help themselves.

The appalling facts indicate the need for material resources in many parts of the world, and also one can see in this picture the suggestion that the world is one big neighborhood, and we need to take the Gospel of Christ to these people of the world. The training of Christians is more important and urgent perhaps today than it has been since the time of Christ. The needs are great and the fields are "white unto harvest."

Many of our religious leaders have been specific in naming the worst sin in our modern world as the sin of indifference on the part of Christian people. I believe the main reason for so much neglect on the part of God's people is ignorance. Peter said, when speaking to the Jews concerning the crucifixion of Christ, "And now, brethren, I wot that through ignorance ye did it."

If we are to give a hungry world the good news of salvation, our people must be educated and trained in Church Membership. This is primarily the work of the Training Union. I sincerely believe that

when a child of God is informed, he will become concerned, and concerned enough to give his time, talents, and money to send the Gospel to our world neighborhood.

Our association has been standard through most of the year. We held four Mass Meetings during the year, with good attendance at each. Also, held four planning meetings to plan our work.

Some of the outstanding events promoted by the Training Union during the year are as follows:

1. Clinic for Church Officers and Committees. Big success.
2. "M" Night—Around 500 present. Good program.
3. Study Courses—Soul-winning study courses were held in most all churches in February, preceding our revivals in March.
4. Youth Night—Showed film, "I Beheld His Glory" along with a most inspirational service. Good attendance. Several young persons dedicated their lives to full time Christian work.
5. Association-wide Study Course on Methods, led by State approved workers.
6. Organized 3 new Training Unions.

Annual Woman's Missionary Union Report

The Lord has blessed the women of Union Association by allowing them to find places of service through Woman's Missionary Union. The programs from Royal Service and mission books, "Into a New World," "Ways of Witnessing," "Holy Spirit in Missions," and "Christian Witnessing," have been studied. There was a total of 184 approved books taught and 919 people reading one or more approved books. There is a combined subscription of 1,332 to the missionary periodicals; "Royal Service," "Window," "Tell," and "Sunbeam Band Activities."

WMU has as one of its aims Spiritual Life Development. Special emphasis is placed on the Intercessory League; Individual prayer each day at 9:00 a.m.; on mid-week prayer service; and on our weeks of prayer for Foreign Missions in December, Home Missions in March, and State Missions in September. A total of 14 organizations reported observing the week of prayer for Foreign Missions; 87 organizations reported observing the week of prayer for Home Missions. More and more of our societies are having five day observance.

A total of 90 organizations reported doing planned community mission work. Community Missions is Christian Witnessing in our community. Our motive in doing deeds of love is to present Christ as Saviour.

We shall strive to increase our gifts to Cooperative Program as we go along in this "Third Jubilee Advance" period; to reach the high goals that are set for our special offerings; and to increase the number of tithers from year to year. Our special gifts as reported to the president at the end of each quarter are as follows:

Lottie Moon Offering for Foreign Missions	$4,987.37
Annie Armstrong Offering for Home Misisons	1,993.09
Heck-Jones Offering	635.20
State Missions	650.44
TOTAL	$8,266.10

The youth organizations have had part in all the above reports. The Association-wide Sunbeam Band Rallies, the GA Banquets, and the YWA Council meetings have been an inspiration to all who attended. Our annual meeting was held at Benton's Cross Roads with an attendance of 175. Mrs. Ewell Payne, who has served with the Home Mission Board at Cherokee, N. C., was our missionary guest. Our annual leadership conference of September 21 was held at First Baptist, Monroe, with 216 women attending the eleven conferences provided for them.

The women of Roanoke organized again on April 30. We do not have any organized work in 11 churches.

11 organizations are recognized either as approved or advanced organizations. They are as follows:

Christian Education Committee Report

Christian Education involves the process of learning in an atmosphere that is Christian, and in a sense that will result in Christian personality dedicated to the highest ends of living. Somehow every generation must learn that there are no rights without responsibility, no rewards without risk, no education without effort, no freedom without courage, and no Christian ideals apart from Christ. These obvious truths in life are most difficult to see and learn. The irresponsible that we observe today in high places and the indifferent in matters that pertain to basic justice and honesty create a greater demand than ever for education that is thoroughly Christian.

The primary function of the education of any person is to train one to think for himself, to do his best, and to even surpass himself. Christian Education involves development of Christian personality from an exposure to a Christian atmosphere, and that will result in creative Christian living. It involves a spiritual interpretation of life in all its manifestations. To impart knowledge without a sense of values can make a great rascal out of a small rascal. A person must be dedicated to some purpose and some cause. To seek

personal salvation for one's own selfish sake is one's own futile quest, but to be an instrument of the divine will, and to be useful in what is regarded as God's world, this is our purpose. Religious training is as much a discipline as that of being a musician or an engineer. Religious insights do not come of themselves. They come to the man who prays and disciplines himself.

Christian education should furthermore give inspiration and elimination as well as motivation. By training the mind, it makes it possible for a person to achieve things an untrained mind could not perform. But Christian education goes further in that it gives the person the ability to see, the ability to act, and the right goal toward which to move. Life's goal is more than a popularity contest. One needs to learn, "Not my will, but thine be done."

In this age of great tension and anxiety every person stands in need of all the help he can get from God and all preparation he can give to himself. The Christian college may not thoroughly and completely shape one's life toward this end, but at least, this is its aim. This is the reason we believe it is imperative to sell young people of our churches on the value of receiving education in one of our Baptist schools. If for no other reason than to have a Christian atmosphere in the learning process for four years, then it is worthwhile to have this kind of authority, discipline and guidance.

Higher education is in trouble today. Increased enrollment, coupled with inflationary costs have burdened our Christian colleges with almost unsurmountable difficulties. There are hardly enough facilities in either Baptist Institution to meet the growing need. The faculty shortage is severe and becoming increasingly so each year. Cost-wise, it is a strain to get financial support to maintain existing academic standards. College enrollment is at an all time high. The end is by no means in sight. By 1970, according to historical estimates, the colleges will go above the six-million mark and possibly eight-million within fifteen years. Some of our schools have estimated that a double enrollment will occur within ten years. This confronts Baptists with the great problem of expanding at the expense of the Baptist people. Money given them through our churches, our members, and our interested friends is the sole means of operating Baptist Institutions at figures far below that of State operated institutions. So this is our business, and will be for years to come. We cannot compete with tax supported schools, but only hope to do our job as effectively as possible under our plan of education.

One of these institutions, Wingate College, is here in our Association and becomes our immediate responsibility as well as opportunity. Any Baptist in this Assocciation who fails to appreciate the significance of Wingate in our midst to train young people is unaware of the basic Baptist program and the opportunities we have at hand. Just now we are greatly in need of funds to build a Chapel-Auditorium building, and you can help with your contributions at this time and in his way.

Your committee urges you, with all the insistence it can command,

o—

1. Train your young people in one of our Baptist institutions.
2. Learn to appreciate and pass on words of commendation about Baptist colleges.
3. Look at the products of these colleges.
4. Give of your money generously, either through your church or direct, that our schools may be better prepared to meet the challenge of increased enrollment, the threat of secularism and communism, and to train young people to live with purpose.

Report on Christian Literature

"To the law and to the testimony: if they speak not according to this word, it is because there is no light in them." Isaiah 8:20.

We, as Baptists, believe that the Bible was written by men divinely inspired, and that it is a perfect treasure of heavenly instructions; that it has God for its author, salvation for its end, and truth, without any mixture of error, for its matter; that it reveals the principles by which God will judge us, and therefore is, and will remain to the end of the world, the true center of Christian union, and the supreme standard by which all human conduct, creeds and religious opinions should be tried.

I thank God that our Southern Baptist Literature is derived from the Scripture, and is based on a scriptural foundation which makes it the most reliable and dependable literature in all the world.

In recent years, there has been much unsound, unscriptural and confusing literature distributed in our country. This is a definite danger to our youth and young converts who are not familiar with the teachings of the word of God, which may result in being deceived and misled in these false doctrines.

It is our responsibility as pastors and Christian workers to see that Southern Baptist literature, the finest that can be found anywhere, is placed into the hands of our youth, young converts, and church members, that they may be rooted and grounded in the Baptist faith, which is based on the Bible.

A good pastor is a well informed pastor, and a well informed people are an interested people.

Report on the North Carolina Baptist Hospital

Our Baptist Hospital seeks to serve our people with a complete program of specialized medical care for all who need it. Our people go in great numbers, with all types of serious illness, from all walks of life, and in all financial circumstances, to receive the ministry of our Baptist medical center. A constant effort is made to keep it personal and Christian in its care of sick people.

Last year Service Patients from 95 counties of the State made

over 66,000 visits to the 31 clinics of the Out-Patient Department, which is open to families not able to pay the full cost of their medical care. About the same number of office visits was made by Private or full-pay patients. More than 16,000 sick persons were hospitalized for 132,000 days of bed care.

Forty per cent of the hospital service is rendered the patients who go to the Out-Patient Clinics or who enter the hospital through the Out-Patient Department. The services of the physicians are free to all these patients, but the hospital charges must be paid unless other arrangements are made by the family.

Last year the hospital spent well over one million dollars in the care of these Service Patients. The Mother's Day Fund, along with the welfare funds and assistance from other agencies and foundations, enables the hospital to provide more than half of this service free for our very poor people. The Mother's Day Fund alone, however, has not covered the full cost of the care of even the most needy.

We need to lay upon the hearts of our members the necessity of the Mother's Day Fund, if our Baptist Hospital is to provide this important service for our poorer people.

Respectfully submitted,
Floyd Helms

Report on Good Government

Since Good Government is one of the great needs of today, and if it is ever to be, it must be brought about by Christians. Worldly-minded people will never produce a better government.

When we look at facts as reported by men like Mr. Hoover, Head of our Bureau of Investigation and see how crime is increasing, it should arouse the interest of every Christian.

FACTS AS REPORTED FOR 1958	
Murder	8,182
Forcible Rape	14,561
Robbery	57,247
Assault	113,530
Burglary	679,787
Larceny	391,550
Auto Theft	270,965

Of all crimes committed:

Youths under 18 years of age represent 12.1 per cent of all arrests.

Youths under 18 represent 64 per cent of all auto thefts.

Last year in U. S. A. crime increased 5 times as fast as the increase in population. Facing these facts every Christian should raise his voice in protest against every evil that has been legalized in America.

1. We should make a united effort to stamp out the Beer-Wine-Whiskey problem, which is back of all other crimes.

2. We should raise our protest against the Recreation which our youth cannot be Christian and indulge in.

It is my humble judgment that every minister should stand firmly against the evils of today.

A. In The Homes—We should lead our people to set up a better society which will eliminate many broken homes which end in divorces.

B. In The Pulpit—We should preach more on New Birth to eliminate many of the unconverted church members on our church rolls.

C. At The Polls—We should cast our ballots for men whom we know to be Christian.

D. At All Times—We must pray earnestly for better Government leaders.

Jesus tells us in Matthew 5:13-14 how, "ye are the salt of the earth. Ye are the Light of the world. A city set upon a hill cannot be hid."

We can make ourselves felt in Better Government if we will unite our efforts.

Radio and Television Report

In the year 1956, during our simultaneous crusade, we learned that radio listeners were many. There were 28,000,000 car radios in addition to those in homes and elsewhere. More people in the United States use radio than tooth brushes. The average person spends 109 minutes per day listening to the radio. During the 1959 simultaneous crusade, we used the radio, having different speakers each morning.

Jesus told his disciples to BEGIN in Jerusalem, then go to other places in the world. Men, women, boys and girls are lost and undone, without hope of heaven, here in our own association. I am not against missions of any kind, but I am concerned about the lost that can be reached by radio and television. Dr. R. G. Lee, pastor of Bellevue Baptist Church, Memphis, Tenn., had this to say when his church purchased television equipment, "We feel that the purchase of this equipment is one of the best missions investments we have ever made."

In the coming year 1960, there will be 13 films dealing with moral and spiritual issues that will be available to 100 television stations all over the nation. The series will continue on hundreds of other stations during the year, in America, in Canada, and almost around the world: March 6, "ONE WAY TICKET;" January 24, "THE CHALLENGE;" February 14, "THE CHEAT;" March 13, "BREAK THROUGH;" and February 12, "DECISION."

We have another service—that of taping the State and Southern Conventions. For a fee, recordings of all or any part of the Convention programs may be secured.

As we labor together in the Kingdom work through radio and television, or any other medium that we can put to work for Jesus

remember to pray for the radio pastors that minister to the sick, shut-ins and the unchurched.

John Long

Report of Baptist Homes, Inc.

The ninth year of operation of the Baptist Homes for the Aging began March 16, 1959. All three of the homes, Resthaven, Albemarle and Headquarters, have had a good year and have been filled all the year to the capacity of 119, counting residents and helpers. When vacancies appear, there are far more on the waiting list than there are rooms to be filled.

This has been another year of God's favor upon the Homes. Progress has been encouraging. While the campaign to raise funds to build the fourth Home at Hamilton, in Eastern North Carolina, has not been completed, there is reason to believe that the money will be secured this year and the construction begun. Mr. Don G. Matthews, of Hamilton, has given the land for the site and most of the $50,000 which he promised. He is ready to give the balance when the extra $100,000 has been raised. With re-organization of plans, and persistent effort, the balance needed can and will be forthcoming.

Architectural plans and specifications for the enlargement of the Infirmary at Headquarters, Winston-Salem, have been prepared. Construction of 28 additional bedrooms should begin in October. Extra room in the Infirmary is the pressing need now.

It brings much joy to report that all indebtedness incurred with the construction of the Headquarters Building has been paid, and that the three homes, Resthaven, Albemarle, and Headquarters Building, are free from debt, thanks to our Lord and friends of the Homes who have made this possible.

The pressing needs of the Homes now are:

1. To finish raising the funds to start construction of the Hamilton Home.

2. To raise about $75,000 to cover the balance needed to pay for the additional facilities and Infirmary expansion.

A total of $150,000 must be raised to finish these two projects. When these are completed, the total capacity of the Homes will be 170 residents.

All connected with the Homes are most grateful to the churches for the help given to offer our aging friends who live in the Homes a program of security, comfort, congeniality and a Christian ministry. Surely the words, "Inasmuch as ye have done it unto one of the least of these my brethren, ye have done it unto me" are applicable to those who help make such service possible.

Ministers' Retirement Report

At the present time, more than 5,300 retired or disabled ministers and denominational workers or widows are receiving benefits from the Annuity Board. Of this number, 1,300 are on the relief rolls and receive a share of the $325,000 from the Cooperative Program designated for this work. The others receive a monthly check provided through their participation in one of the Board's protection plans. Total benefits paid out in 1958 were $2,414,767.90.

Certificates were issued to 3,113 new members in all the Board's protection plans in 1958. This is a 27% increase over the previous year. The Southern Baptist Protection Plan showed the largest increase, 1,548 new members.

Even with the increases in new members as recorded above, there are still 60% of Southern Baptist pastors not covered by the Annuity Boards protection program. The Annuity Board is asking the local churches to help in seeing that every pastor and church has this protection. Each church is being asked to enroll its pastor in the protection plan, paying two-thirds of the cost of the plan. The state convention has already agreed to pay one-third for every pastor in the state.

Certificate holders in the North Carolina Ministers' Retirement Plan now number 536. Certificate holders in the Southern Baptist Protection Plan number 575. This gives us a total of 1,111 pastors and denominational workers now enrolled.

We have a total of 208 annuitants now receiving benefit from the plans. In addition to the annuitants, 126 aged ministers, or their widows, are receiving direct relief grants amounting to $17,932 annually.

If your pastor is not in the protection plan, we urge you to consider what would happen if he becomes disabled, or if he died and left a widow and children. Could your church support two families?

Mr. Ottis J. Haigler, Secretary of Retirement Plans in North Carolina, will be glad to help you in any way he can.

Report on Evangelism

The Union Baptist Association has closed another successful year in the field of Evangelism. Our 53 churches have reported 559 Baptisms which is 87 more than last year. 51 of our 53 churches reported Baptisms in the Associational year of 1959. Also 51 of our 53 churches reported additions by letters, making the total number of additions by letter 459. This brings our total membership to 13,189.

This was done with the help of our Simultaneous Revival which began March 15, and continued through March 29, with 26 churches participating.

However, we cannot be satisfied with past achievements. Even

now we should be praying and planning for a greater and more fruitful Evangelistic program for 1960. While we have made advances in Evangelism we still must admit that the task is far from complete. "The fields are still white unto harvest and the laborers still are too few." Let us take our hats off to the past, but in the Spirit of prayer, let us remove our coats and do a better work in our Master's Vineyard in the coming year.

As we bring this report to a close may we strongly urge all of our pastors and churches to keep the fires of Evangelism burning, by keeping soul winning first in the program of your church.

Finally, may we exhort each church to promote a weekly Visitation program and to conduct Revival efforts and carry out our theme of 1959, "Getting the Message Of Evangelism To Every Lost Soul."

Some one has well said: "EVANGELISM has made Baptists and EVANGELISM Must Maintain Us."

So using the Words of Wm. P. Mackay we say: "Revive Us Again; Fill Each Heart With Thy Love; May Each Soul Be Rekindled With Fire From Above. Hal-Le-Lu-jah! Thine The Glory, Hal-Le-Lu-jah! A-men; Hal-Le-Lu-jah Thine The Glory, REVIVE US AGAIN."

Respectfully submitted,
W. Wilson Payne, Chm. of Evangelism

Ordination Services

At the request of Sardis Baptist Church, several pastors and deacons met at the church on Sunday afternoon, January 18, 1959, to question Brother Earl Sossomon as to his call to the Gospel ministry. Brother Sossomon answered all questions to the satisfaction of those present, and the body recommended that the church proceed with the ordination. The church asked all who would to join them on Sunday afternoon, January 25, 1959, for the ordination service. A large group of ministers and members of the congregations of other churches met for this service. The Reverend C. C. Hunnicutt, a former pastor, preached the sermon, and the usual laying on of hands followed.

The Hartis Grove Church requested the pastors of the Association to meet on June 14, 1959, to question Brother Jacob O. Mullis as to his call to the Gospel ministry. Several pastors were present and many questions were answered by Brother Mullis in a very satisfactory way. A unanimous vote was cast recommending that the church proceed with the ordination. The church held this service on June 21, with Brother Roland Blanchard preaching the sermon.

Missions Committee Recommendations

Whereas the Union Baptist Association in its annual session on October 29, 1958, at the Mt. Pleasant Baptist Church adopted the motion: "that the Associational Missions Planning Committee study our Associational Missions Program as it relates to the Associational Field Worker and his office and report to the Association in 1959 any changes it feels should be made, and

Whereas a motion was adopted in the meeting of the Union Baptist Executive Committee on June 23, 1959 (following the Feld Worker's resignation) "that a committee consisting of the Associational Missions Committee, the heads of the four main organizations (Sunday School, Training Union, Brotherhood, W. 4. That the field worker serve more in the capacity of a promotional secretary, keeping in close contact with the promotional activities of our State and Southern Conventions, and serve to promote all the various organizational needs in our Association.

5. That the field worker's office be enriched and made more meaningful that both pastors and churches will find the help wanted and needed.

6. That the Associational budget be sufficiently increased to provide for the purchase of needed office equipment and an adequate salary for the field worker.

7. That the churches move as rapidly as possible in attaining the association's adopted goal of one dollar ($1.00) per member in order that the needs of the associational budget be met.

8. That the present Associational Missions Planning Committee (3 members) plus four (4) members at large from the association be named as the responsible committee for recommending a new field worker to the Association's Executive Committee.

Brotherhood Report

The purpose of the Brotherhood is to discover men and their talents and to enlist them in every phase of the program of the church

and denomination. The Brotherhood seeks to accomplish this purpose by offering programs and activities in at atmosphere of fellowship, study, and action. Programs and activities are planned in four major areas: Evangelism, Stewardship, Cooperative Program or World Missions, and Royal Ambassadors.

There are more men engaged in working, giving, and going for World Missions than at any time in the history of the church. This is true, largely because of the challenge which has been presented to them through Brotherhood and Royal Ambassador programs. Special seasons of prayer and offerings for missions have become church-wide rather than a program for a single organization. The number of men who are willing and who possess the skill of witnessing to lost men is increasing every day. More men are capable of teaching and leading in the organizations of the church. Yet there are many men who are not enlisted. About 75 percent of the men on our church rolls are still inactive. They are the Brotherhood's greatest challenge.

Printed materials are available from two sources: Free materials may be ordered from the Brotherhood Department, Baptist Building, 301 Hillsboro Street, Raleigh, North Carolina; priced materials are purchased from the Brotherhood Commission, 1548 Poplar Ave., Memphis, Tennessee. It is suggested that every church provide the following priced materials in their budgets:

"The Brotherhood Journal" (for each Brotherhood member)

"The Ambassador Life" (for each Royal Ambassador)

"The Ambassador Leader" (for each Royal Ambassador counselor)

The Brotherhood Department is planning a program of intensive training during 1960. Regional clinics will be provided for associational leadership and associational clinics will be conducted for church leaders in Brotherhood and Royal Ambassadors. The new Brotherhood Secretary, Clyde L. Davis, and the Royal Ambassador Secretary, B. W. Jackson, earnestly solicit your prayers for them as they seek to lead in this program. We, as associational Brotherhood officers, request that you remember us in your prayers as we seek to lead in the Associational Brotherhood work. There is so much that needs to be done.

During the past associational year four new Brotherhoods were organized with the help of our Associational Missionary. Brother S. C. Harrell, Associational Ambassador Leader, reports that approximately twelve Royal Ambassador chapters were reactivated during the year. He reports that interest in Royal Ambassador work has increased materially during the year. A clinic for two nights in Royal Ambassador work was held during the year, and four asssociational Brotherhood meetings were held.

The challenge is great in our association for the men of the Brotherhood. Let's overcome indifference and apathy in such a large number of our men.

J. B. Stewart

*The Baptists of this Association came directly from the efforts of the early Christian workers of Wales and England. Their first settlements were in Old Welsh Neck section in South Carolina and Old Sandy Creek section in Chatham County. Union County Baptists came from the Old Welsh Neck Section. The Welsh Neck Baptist Church was organized in 1738. In 1793 Lanes Creek Church was organized about two miles West of Philadelphia Church. This Church was the stock of the Welsh Neck Church. The churches that came out of the Welsh Neck Church organized into the Moriah Association in 1815. For convenience of the North Carolina side of the Moriah Association, the Brown Creek Association was formed in 1854. In 1885 the name of Union Association occurred.

**Since the Moderator and the Clerk served the prior year and the following year, it is assumed that they served during this year.

CONSTITUTION
OF THE
UNION BAPTIST ASSOCIATION

Article I — Name

This body shall be known as the Union Baptist Association of North Carolina.

Article II — Purpose

It shall be the object of this Association to promote the Kingdom of God on earth in compliance with New Testament principles, and in co-operation with the Baptist State Convention and the Southern Baptist Convention. It shall also devise and promote measures for increasing the harmony, intelligence and spiritual power of the churches.

Article III — Membership

The Association in the transaction of business, shall be composed of the pastors of the churches constituting it and the duly elected messengers of the churches. Each church shall be entitled to three messengers for the first hundred members or fraction thereof and one for each additional hundred. No church shall be entitled to more than ten messengers.

Article IV — Powers and Prerogatives

1. The Association shall have no right to infringe upon the sovereignty or rights of usefulness of the churches. All the churches constituting the Association remain soverign and independent bodies. It may advise the churches, and recommend measures for their adoption, but cannot bind them in any way. However, it may justly claim for itself, for its objects, and for its recommendations the very highest consideration and regard.

2. The Association may at any time dissolve connection with any church that becomes heterodox in doctrine or disorderly in practice or that fails to represent itself either by messengers or letter for two consecutive sessions without sufficient reason, or that ceases to be missionary in practice. This cause fostered by the denomination at large and of this Association in particular shall be the test of each church as a missionary body. The Co-operative Program shall be the recommended means for the support of Convention objects.

Article V — Duties of the Church

It shall be the duty of each church to appoint as far as practicable capable and efficient members as messengers—to insist upon their attendance and to send with them a contribution toward the expenses of the Association, the printing of the Minutes and such other items deemed necessary by the Association.

fare. These letters shall be sent to the clerk as soon as possible after the end of the Associational year.

Article VI — Reception of Churches into Fellowship

The Association shall be sole judge of its membership and may receive or reject churches applying for membership therein at its pleasure. Orthodox and orderly churches petitioning by letters from another Association of Missionary Baptist Churches, or newly organized Missionary Baptist Church desiring membership and presenting their articles of faith, shall be welcomed, provided: the churches making request for admission shall agree to come under the watch-care of the Association for a period of at least one year. The letters of petition shall be submitted to the Associational Missions Planning Committee. This committee shall ascertain the facts regarding scriptural organization and orderly practice of the church, and evidence of missionary and beneficient ferver in its work. If found satisfactory, the committee shall at the next annual meeting of the Association recommend its reception. If not found satisfactory at the end of one year of watch-care, the committee shall continue to work with the church toward its admission into the fellowship. Upon the recommendation of the committee the Church shall be admitted to membership upon a three-fourth vote of the members present. It is understood that during the period of probation such church or churches shall be entitled to all the rights and privileges of the Association except that of voting.

Annuity Board Report

The Southern Baptist Convention has entrusted the Annuity Board with the responsibility of caring for our pastors and their families in the days of need and anxiety. This program of protection is called The Southern Baptist Protection Plan.

The Southern Baptist Protection Plan provides financial help in the time of death, disability, and retirement. The Board is there to serve in time of sorrow, if the church is in the Protection Plan. In case of the pastor's death, his widow would receive an income from the Board as long as she lived or until she remarried. The Board is there to serve in time of sickness, if the church is in the retirement plan. In case of disability, the pastor would receive a monthly check from the Board as long as he was disabled. The Board is there to serve at retirement, if the church is in the retirement plan. At age 65, the pastor can receive his regular annuity as long as he lives. He can not outlive this protection. A church can have all of this protection for the pastor if the church is in the Southern Baptist Protection Plan.

We urge all churches to contribute to the work of the Annuity Board. The cost to the church is only 10% of the pastor's salary. For instance: $400.00 a year is as much as this program will cost any church who is paying their pastor $4,000.00 a year salary. If all our churches contribute, then all our pastors will be protected and all of our churches carrying out the command of our Lord.

At present, 15 churches in our Association contribute to this phase of our work. This is a denominational program and deserves

the support of all the churches. The Baptist State Convention of North Carolina is launching an intensive compaign to enlist at least 300 additional churches this year. We recommend that our Association adopt our share of this as a goal and that we urge all our deacons and Brotherhood members to present this program to their churches as soon as possible.

We also suggest that one of our monthly Associational Meetings or Brotherhood Meetings be given to the discussion of this phase of our denominational work.

Churches desiring further information should contact members of the Annuity Committee, the Associational Missionary, or Tom Greene, Baptist Building, Raleigh, North Carolina, who is the Director of the Annuity Board work in North Carolina. He will be happy to present this matter to any local church desiring his help.

Respectfully submitted,
C. H. Arrowood

Brotherhood Report

The Brotherhood work presents a real challenge to the ministers and laymen of the Union Association. Due to the fact that the Brotherhood program was in its infancy in this Association it suffered greatly in its growth during the year as a result of not having an Associational Missionary during most of the period.

Despite this handicap five Associational meetings were held during the year. A very informative and inspiring meeting on soul-winning was held at Oak Grove. A challenging address was given by Brother C. B. Deane, President of the N. C. Baptist State Convention, at another Associational meeting. The highlight of the year in the Brotherhood work was the supper meeting when the men were hosts to the Royal Ambassadors. The boys were recognized for their accomplishments in the summer recreational program. At this meeting, we were given the challenge of purchasing the site and establishing a statewide Royal Ambassador Camp near Asheboro. Men of the Union Association Brotherhood committed themselves at this meeting to purchase twenty-one acres of the proposed camp site.

The proposed camp, if properly developed and operated should mean much in training our boys spiritually, as well as developing their minds and physical bodies. It would also aid in giving them worldwide vision of missions.

There are several men of our Association giving liberally of their time to the development of our Royal Ambassadors. The need is great for many more. During the year, the Royal Ambassador work became better organized with the appointment of leaders for six areas of the county. The committee responsible for the summer recreational program did an outstanding job in organizing the program so that it was carried out on Christian principles.

The need is urgent for the development of leadership among the

men of our Association. The Brotherhood presents a wonderful opportunity to meet this need.

Respectfully submitted,
J. B. Stewart

Report of Children's Homes

The Baptist Children's Homes of North Carolina, Inc., is a multiple service agency, providing Christian love and nurture for more than 800 deserving boys and girls annually.

The three homes are: Mills Home, Thomasville, with 311 children; Kennedy Home, Kinston, with 165; Odum Home, Pembroke, with 24 children.

There are 160 children in Foster Homes and 40 others who are assisted by Mother's Aid. Case work supervision is afforded 30 college students annually.

Children attend public school and participate in all school activities. Opportunities for Christian commitment and spiritual growth are afforded on the campuses, in the cottages, and through the churches.

Relatives, pastors, social service agencies, and interested friends make inquiries about admission of children in need of care. When applications are received, well trained case workers make a thorough study of each situation to determine the need and the best possible plan of care for the child.

The Social Service Department of the Children's Homes affords case work services throughout the state. Individuals, families, pastors, and churches are entitled to this help upon request.

The Baptist Child Care Program is supported through the Co-operative Program 31.5%; Thanksgiving Offerings 31.1%; Once-a-month Offerings 21.9%; Special Gifts and Endowment 15.5%.

Income for the past three years has not been sufficient to meet minimum needs. Many children have been denied a Christian home whom we should have served. An increased Thanksgiving Offering is imperative this year.

North Carolina Baptists have been caring for homeless and dependent children for 75 years. Appropriate observance of the 75th Anniversary will be made in November. During these years, more than 8,000 children have been afforded life's best opportunities. The need for such services increases with the development of industry, growth in population, expansion of cities, and the mounting tensions which accrue to families in an urbanized society.

John E. Roberts became Editor of Charity and Children on June 1, 1960. We invision, under his editorship, this paper making an increasing contribution to the total life of our Baptist people.

North Carolina Baptists will continue to love and serve dependent children. No other object is so worthy of service and sacrifice. Many areas of unmet need confront us each day. Your continued interest and increasing support will help us meet them.

Respectfully submitted,
Charles E. Clark

Report on Christian Education

North Carolina Baptists promote a program of education much wider in scope than that represented in their seven colleges. In the local churches there are numerous activities along with the Sunday School relating to education. All these activities are promoted through a special division known as Church Programs. Through the Southern Baptist Convention North Carolina Baptists share in the promotion and support of the seven seminaries which are administered through trustees elected by the Southern Baptist Convention.

Through a Division of Christian Education in the Baptist State Convention of North Carolina the work of seven colleges is promoted. These are Wake Forest, Meredith, Mars Hill, Gardner-Webb, Wingate, Chowan, and Campbell. In the last year there were enrolled in these seven colleges some 8,100 students. Their annual operating costs were above $10,000,000, with approximately $500,000 of this coming through our Cooperative Program plan of giving. An additional $600,000 was provided for capital outlay or plant improvement and expansion. Without the addition of new buildings it is not possible for these colleges to enroll many more students than the number taken last year.

In recent years there has been a marked growth in the interest of North Carolina Baptists in their colleges. For fifteen years the work of these colleges has been coordinated and studied through the Council on Christian Education, with offices in the Baptist Building at 301 Hillsboro Street, Raleigh. The staff consists of two employees—an office secretary, Miss Grace Yow, and an executive secretary of the Council and Director of the Division of Christian Education, Claude F. Gaddy. In the past three years three major Convention Committees have prepared and presented reports on the work of these colleges to the Convention, and a fourth committee was appointed in 1959 to report in 1960.

The first committee of 25 members was appointed in 1956 "to study the needs and possibilities of our existing institutions and such new institutions as may be needed." The report of this particular committee was presented to a special session of the Convention in May, 1959. In 1957 two special committees were named and directed to study two particular aspects of Christian education as follows:

1. A committee of nine members was instructed "to prepare a statement of permanent policy describing and setting forth the relationships of the Convention to the trustees, the trustees to the Convention, the trustees to the institutions, and the institutions to the Convention.

2. "To devise at the earliest possible moment a method of orienting, training, and instructing all trustees as to their duties, responsibilities, prerogatives, and relationships."

This committee brought its report to the Convention in 1958 and its recommendations were adopted. In compliance with the second part of the report the first Trustee Conferences were held in Winston-Salem, March 11-12, 1960.

3. In this same Convention of 1957 a committee of 17 members was directed "to make a study of ways by which the spiritual life of each of our seven colleges would be enhanced or deepened; (2) that its study include further an appraisal of any attitude, activities, or organizations on any campus which might be hindering the development of a genuinely spiritual atmosphere upon our college campuses."

The report of this committee was adopted also in 1958 Convention.

Let us take a further look at the work of the third committee of 25 members appointed in 1956, and reporting to special convention in May, 1959. After a study covering nearly three years and with the aid of a professional firm of consultatants— Booz, Allen and Hamilton, this committee presented a strong and comprehensive report with certain recommendations for each of the seven colleges. There was no recommendation for a new college, but for each of the seven existing colleges specific suggestions were made as follows:

1. Wake Forest—that provision be made as rapidly as possible for resuming graduate study for advanced degrees, both master's and doctor's.

2. Meredith—for growth to provide a student enrollment of 1,000.

3. Mars Hill, Campbell, and Wingate—that all three of these two-year colleges consider the possibility for becoming four-year senior colleges as soon as possible.

4. That Gardner-Webb and Chowan Colleges continue to serve as junior colleges with provision for becoming senior colleges "when it is the belief of their trustees and administration that the time has come when a change from junior to senior college status is advisable."

It was in the light of the work of these three special Convention Committees and the reports adopted by the Baptist State Convention that a fourth committee of 21 members was appointed in 1959 to give meaning to the work and recommendations of previous committees. This new committee was directed "to work with the Council on Christian Education and the General Secretary of the Convention to study the pressing needs of the seven Baptist colleges, and to bring to the Convention in 1960 a recommended program and plan for meeting the pressing financial needs of these schools."

With this introductory statement of information on what Baptists of North Carolina have been thinking and doing about their colleges in recent years, let us remind ourselves of some of the rather disturbing statistics on our Baptist young people as follows:

Last year, 1959, there were graduated from our North Carolina high schools 42,954 students. Of this number there were 32,441 white high school graduates. It is safe to estimate that of this 32,441 graduates 15,000 were Baptists. Almost exactly one out of three enrolled in some college last September, leaving the other two out of three without college training. So of our 15,000 Baptist youth graduating from high school in 1959, 10,000 never enrolled in college. Of this 10,000 ending their education with high school, one-fourth of them were in the upper third of their high school graduating class. Thus, we see

that a majority of our Baptist young people will never become ministers, teachers, lawyers, doctors, nor any of the many other professions open only to those having an opportunity to go to college. Of the 8,103 students in our seven Baptist colleges last year, 5,000 were Baptists. There were some 13,000 Baptist students in other colleges.

It is believed that by 1970 we shall have in North Carolina not 15,000 white Baptist boys and girls graduating from high school each year but 30,000; and that we may expect a much larger percentage to go to college. It seems conservative to predict that at least 35,000 Baptist boys and girls will be in college within ten years. The question confronting us is where shall we provide for their college training? Shall we maintain the status quo in our Baptist colleges and ask the state to provide for them through increased taxes, or other denominations to provide for them in their colleges or would it be better for Baptists to face the facts with vision and courage and provide Christian education for their future leaders? Let us not be afraid to think together and ask God to guide us to do His will in whatever we do.

Report on Christian Literature

Paul wrote to Timothy, "Till I come, give attendance to reading." (1 Timothy 4:13). Reading is one of the most constructive forces in enlisting and directing the religious activities of our denomina-

tional life. What people read enters the domain of the mind and shapes and stimulates their thinking and people become what they think.

Southern Baptists are to be congratulated for the depth and spirituality of their writers. While we admit that we do not have all the truth, we dare to believe that our writers stand on the solid foundation of scriptural spirituality and dedication in their search for truth.

North Carolina Baptists are grateful to God for men such as J. Marse Grant, who became editor of the "Biblical Recorder" on January 1, 1960. Such men know the dangers and snares which seek to take people unawares and are willing to withstand the fire of critics in order to present the truth to the people of our state.

Our lack is not in the volume of doctrinally and spiritually sound literature produced, but in our failure to use it.

Cooperative Program and Stewardship Report

People give all kinds of arguments against home and foreign missions. Some few of our churches even refrain from cooperative support in mission gifts. But every sensible person knows that the future of our civilization depends on what people believe about God. What has made many Christians indifferent to missions in our churches is that the joy and wonder of their own experiences of Christ is not deep enough or strong enough to overflow to others.

Just as the good news will not keep as we are determined to share it with our friends, so we long to help them and to share the Gospel with those whom we have never seen. Our money becomes our extended helping hand, reaching where we could never go and doing what we could never do in person. In giving our gifts for the world outreach of this Gospel of Jesus Christ, we are enabled to introduce people to Jesus and give assistance in innumerable ways in which we could not possibly do in person. There are those whose faces shine through the memory of consecrated gifts and concerned Christian lives, of whom we could say with the Apostle Paul, "I thank my God upon every remembrance of you."

Once we have received we are obligated to give, to share, and this speaks not only of our responsibility for the Gospel but of our stewardship of money, talents and time.

The churches of our Baptist faith should constantly re-define the mission which is ours in a world where Communism has claimed the Christian's watchword—"A world to win." In many respects Communism threatens to do a more thorough job in an unbelievably short space of time in comparison to what we Christians have endeavored to do. Certainly our efforts and our gifts must meet the challenge if there is to be victory let alone survival. And it may well be what our civilization believes about God that will determine our future, even yours and mine.

This is precisely why we have a Cooperative Program. It is not

some consideration of our Baptist Convention that will be paid up in a few years. It is a financial method or channel whereby we give to support innumerable causes far and near. When you make your offering, you worship God with it and give because of your gratitude for having received. You manifest your stewardship. You share in the support of all missions, education and benevolence. You lend support to 1,200 missionaries around the world; about 1,250 missionaries engaged in a variety of home ministries such as with Indians or Negroes or College students; some 100 missionaries working in various parts of North Carolina; the purchase of lots for new churches; all departments of State Missions with its 18 activities; help provide an education for some 7,000 students in our seven Baptist Colleges, and some 6,000 students in our six seminaries; our Baptist Hospital at Winston-Salem and the Southern Baptist Hospitals; our Children's Homes and Homes for the Aging.

What an opportunity every Baptist has to do something with his money which he may not be able to do in person.

This effort on the part of Baptists is a kind of religious enterprise whereby all our Baptist Churches cooperate to do a seemingly impossible task but one which if we do not do, will not be done. There is no one church that could possibly operate a Baptist College or a Hospital but offerings from the Cooperative efforts of many churches can operate a Hospital and more than one strong Baptist College. Simply because you give to the College or Hospital does not mean that you should run them but that capable hands can run them. And they may not always operate or function to suit all of your ideas and fancies but neither is the local church. It calls for cooperation and world view of our work that takes precedence over our individual and sometimes selfish views. Out on the windswept frontiers of our existence is this responsibility to bear a load which only redeemed men and women can bear.

But these men and women are not left to their own resources on the frontier. The Lord stands by and with His rod and staff He comforts. He who comforts gives the challenge, "Lift up your eyes, and look on the fields for they are white already unto harvest . . . Go . . . teach . . . tell . . . give." And it dawns slowly but surely that we are the ones to whom He speaks.

Executive Committee Report

There were four Executive Committee Meetings during the Associational year: December 13, March 21, June 14, and September 12. A called meeting of Union Association was held at Monroe First Church on April 26.

December 13—J. Howard Williams was made treasurer of the

Association since Hayne Baucom who was elected Treasurer at the Associational Meeting could not serve. Mr. Williams requested that he be bonded in the amount of $10,000, and a motion to this effect passed.

The Committee which had been designated to choose an Associational Field Worker, with C. Arthur Francis the Chairman, made recommendations concerning an office and furnishings, living quarters, etc. The Church Secretary of Monroe First Church was approved to serve as interim secretary of Association at a salary of $1.25 per hour. A motion was made and carried that the Field Worker's home and office be at Monroe. The Moderator, Vice-Moderator and Clerk of Association were given privilege of naming the sub-committees of Association for the year.

March 21—Changes were made in the list of Sub-Committees on Page 9 of Minutes of Association. The Treasurer, J. Howard Williams, reported a balance of $1,773.69, with expenses of Minutes not yet paid. The Chairman of Missions Committee made a motion that P. E. Jones, pastor of the Noble's Chapel Baptist Church, Sims, N. C., be elected Field Worker, and the motion was carried by unanimous vote.

J. Dewey Hobbs suggested that the Moderator, Glenn Rushing, call a meeting of Association when plans about a house and office for Field Worker would be presented.

April 26—At the called meeting of the Association the Missions Committee recommended the purchase of a house in Stewart Park, 1407 Lucille Avenue, Monroe, at a cost of $16,000. The recommendation adopted. It was recommended that an offering be taken in the churches of the Association to meet the down payment of $2,580. The motion was made and carried that expenses of moving the Field Worker to the new home be paid out of Associational budget, and the motion carried.

June 14—The Rev. P. E. Jones was recognized and pledged his cooperation in the work of the Association. He passed out copies of suggested program for Association which were approved, and it was voted to have printed instead of mimeographed programs for Associational Meeting. Three trustees were approved: John A. Bivens, Lex Funderburke, and Vander S. Simpson.

W. B. Funderburk, speaking for Faith Church, composed of former members of Sardis Church, reported that a new church was being organized some three miles from Sardis, near Hemby Bridge, and asked that Union Association assist them with organizing. R. V. Greer, of Missions Committee, recommended that the new Field Worker have the privilege of two weeks for revivals outside of Association and any number of revivals in the Association. The motion was seconded and carried. C. Arthur Francis made a motion which carried that when Field Worker is invited in absence of pastors that he keep honorariums, but honorariums received for Associational Promotion be turned in to the Associational Treasury.

Sept. 12—The recommended budget for 1960-61 was read and dis-

cussed. Sutton Park requested approval of Executive Committee for another grant of $1,000 from North Carolina Baptist Convention, and approval was given. J. Howard Williams suggested that a request be made of the N. C. Baptist Convention for $100 per month, instead of $50, for Union Association. This request was approved.

The Treasurer reported that 21 churches have contributed toward the field Worker's house. A total of $4,307.18 has been raised thus far.

Report on Evangelism

Jesus' command to us is, "Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost; teaching them to observe all things whatsoever I have commanded you; and lo, I am with you always, even unto the end of the world." Matthew 28:19-20. Here Jesus summed up God's purpose in the world and objective toward which God's people must ever move in full dedication if they are to be in His will.

The purpose of God in which He uses His people is the evangelization of the world. Evangelization means "making disciples, baptizing them, and teaching them" to be obedient to Christ in "all things" He has commanded. Thus a person is not evangelized until he becomes an evangelist. Therefore, evangelism is to make disciples and mature them. This is God's purpose and plan for His people in the world.

In the Great Commission Jesus said, "Go, teach" with the purpose of making disciples, "baptize and teach" them to be obedient to Christ in all things. The only imperative in all these mighty words of action is "to make disciples" or to teach with the purpose of making disciples. Thus Jesus puts soul winning first in His total program with a definite command.

In every church or associational program, soul winning must be in the forefront of its total program to be in the will of Christ. This order is the divine imperative. Any individual or church that changes this order is disobedient to Christ, and therefore, can not expect His empowering and blessing upon the efforts put forth.

During the years 1960-1964, in the Jubilee Advance, Baptists of North America are making an effort to be obedient to the Great Commission by putting soul winning in the forefront of their respective programs. The churches which participated in the Baptist Jubilee Revival in 1960 did more praying, planning, and working to win all the people to a full committal of Christ than ever before.

The ratio of baptisms to church members is 1 to 22 for Southern Baptists and 1 to 25 for North Carolina Baptists. Our Associational baptisms for 1960 was 369. The goal of Southern Baptists in ratio of baptisms to church members is 1 to 8. This constitutes our greatest challenge. Only as we put soul winning in the forefront of our pro-

gram can we become obedient servants of Christ. In an effort to achieve this objective, therefore, be it resolved that the Union Baptist Association adopt the following goals:

1. To conduct an Annual Clinic devoted exclusively to evangelism, striving to have at least seventy-five per cent of the churches and pastors participating.
2. To endeavor to have at least seventy-five per cent of the churches using the church council and sustaining perennial programs of evangelism with soul winning in the forefront of the total program in every church.

Report of Field Worker—1959-60

I have now been with you almost six months and I can report to you that they have been busy months, and in some respects months of strain. Every person in the Association was a new person and every church a new church.

Mrs. Jones and I have been received by all of our people in a most gracious way. Pastors and churches have been cooperative, warm, and friendly. For all of this we are most grateful. Our moderator and every committee have also been patient and understanding, and for this I am most grateful.

From May 1, 1960, to the present date my work has been as follows:

Visited in 34 of our churches.
Held services in 19 churches.
Preached 35 sermons and conducted two prayer meetings.
Taught 3 Sunday School classes and two study courses.
Spoke to 6 special groups and helped ordain 2 deacons.
Assisted in organizing one church.
Held 1 revival.
Attended 12 associational meetings.
Attended Conference at Gardner-Webb College and Associational Missionary's Conference at Caswell.
Had 4 additions to churches.
Attended meeting of the General Board of our State Convention.
Attended the State Brotherhood Convention in Greensboro.
Held 35 individual conferences—9 group conferences.
Worked in 17 committee meetings.

Made over 500 telephone calls and mailed out more than 3,000 pieces of denominational literature and over 5,000 Associational bulletins.

The Union Association, just like many other Associations, has great potential strength. Most of our churches have real potentials too, but they, like the Association, must take the attitude of the minority report brought in by the committee Moses sent to spy out the land of Canaan. That is, "we are well able to do the job." God has

placed in our hands the means, let us pray that we will use the grace and strength and means He gives us for His glory.

Respectfully submitted,
P. E. Jones

Report on Good Government

Good government is one of the greatest needs of our time. On every hand we see corruption and all kinds of graft in government. Crime is on every hand; liquor is responsible in one way or another for 60.9% of all crime. Consumption of liquor is up 300% in the last ten years. There was spent last year for spirits of alcohol 182 billion dollars. Beer consumption last year was 88,796,032 barrels. All of this has made more than 5 million alcoholics, enough to make all of us stand before God ashamed of our lack of concern. Our law enforcement officers tell us that 75% of all divorces can be traced either directly or indirectly to drinking alcoholic beverages.

I realize that it is no use to give all of these facts unless we are willing to do something about it. What can we, as Christians, do? One thing that all Christians can do is to change our attitudes toward strong drink. I have been amazed at the number of professing Christians who say, 'it is no harm to take a drink.' Let me say that no man ever became a drunkard who totally abstained from the use of strong drink. We would not say that it is all right to kill, or commit adultery, or break any of the other laws of God, just so we were modest in it. If it is wrong to break these moral laws of God, then it is wrong to drink at all.

We, as Christians, can pray that God will help us to send the right men to be our leaders. We need the right leaders locally, at Raleigh, and in Washington. Then we must use all the influence we can to help them to pass the right laws. We can write to them, we can pray for them and we can encourage others to do the same.

We, as citizens of America, can vote our convictions when we have the opportunity, and can urge others to vote. Too many people say, 'well, my vote won't mean much anyway.' It could mean the difference between victory and defeat. To fail to vote is in reality a vote for the other man. Many Christians will not vote, but will really criticize whoever is elected. If I would not vote, then I, at least, would not criticize whoever was elected.

Last, but not least, all of us as Christians can so live before this world that our lives can count for our blessed Saviour.

Vance Edwards

Report of Homes For the Aging

God's gift to the Homes for the Aging during the past nine years has been James M. Hayes, Sr. No man could have worked harder, or accomplished more, than this dedicated man of God. On July 1, he relinquished the heavy and challenging responsibilities of the office of General Superintendent to his successor, William A. Poole.

The new Superintendent is diligently at work and is finding a solid foundation on which to build and expand our ministry to the aging in our midst.

Great blessings are in store for us in this tenth year of our Homes for the Aging. The new Infirmary Annex, constructed at a cost of $193,000, and with 28 new rooms, will be in use by September 1. In addition to these rooms, there is a nurse's station, lounge and restroom, a solarium, a room with an autoclave for the sterilization of instruments, three baths, a laundry room, and a utility room. It is hoped that the construction of the proposed new Hamilton Home can be started by late summer, with facilities for around 30 additional residents. Our hats are off to all who have given so liberally and worked so tirelessly in bringing this fourth Home to fulfillment!

At the present, there are sixty applicants on the waiting list, and new inquiries and applications pouring in daily. We now have a total of 106 residents in our three Homes—Resthaven, 20; Albemarle, 34; Headquarters, 52. Even with our new facilities, it is not unrealistic to say that we could fill rooms up to 500 in the next two years. We must attempt great things for God and expect great things from God as we plan for the future in our ministry to the ever-growing number of the aging who need the loving care of North Carolina Baptists.

One of the life-lines in our work is the vital relationship that we have with the pastors and churches in our Convention. We could not operate without this very important and blessed tie that binds. We are increasingly dependent upon the prayers and the financial

support of the churches. Durig the fiscal year, October 1, 1959, to August 1, 1960, we have received $82,521.20 from the churches. Of this amount, $76,352.70 was contributed through the Special Day Offering in February. In addition to the Special Day Offering and designated gifts, we have received from the churches through the Cooperative Program, $39,635.19 during the period October 1, 1959—July 1, 1960. Our annual support from the Cooperative program is $50,000. We are profoundly grateful to God and to everyone who has had a part in contributing to the worthy cause which we represent.

We are constantly experiencing mixed emotions in the Homes. We rejoiced with Aunt Fannie Drumwright on her 99th birthday in July, and were saddened by the deaths of Miss Lillie Herring in October, Mrs. Mary Holder in April, Mr. T. J. Castevens in June, and Mrs. Annie Smith in July.

We shall welcome a visit to the Homes from our fellow Baptists at any time and stand ready at all times to render the service that God called us to render to the aging.

Let it be known throughout the bounds of our fair State that there is nothing to hinder any needy aging person in our midst from coming to North Carolina Baptist Homes for the Aging except lack of space. Let us, therefore, dedicate ourselves to the end of making more space available at the earliest possible moment.

Respectfully submitted,
Robert S. Outlaw

Report of Missions Committee

The Missions Committee has had five called meetings during the past Associational year. Two meetings were for the purpose of aiding the Associational Field Worker in planning his work and establishing his present office.

Recommendations have been made concerning needed additional office equipment. As of the present, one Smith-Corona typewriter has been purchased.

Three other meetings were called for the purpose of consulting with representative groups from the Sardis Church and the Corinth Church.

The Committee was requested to meet in April with the deacons and other leaders of the Sardis Church with regard to the disagreement then prevailing in that church. At that time, the committee was unanimous in recommending to said group that reconciliation between the two factions be pursued at all cost to church and pastor. The advice of the committee was not heeded, however, and the Sardis Church split, the out-going group having formed what is now known as the Faith Baptist Church.

In July of this year the committee was requested to meet with a representative group from the Corinth Baptist Church. At this meeting the committee was informed that certain members of the Corinth Church had reached the conviction that they could best serve the Lord and the Missionary Baptist cause by banding themselves together and forming a new church. This representative group was advised by the committee to make a survey of the area in which it was then considering for the new church to be located, and to make sure that there were warranted reasons for locating a church in the Carmel store area on the Lancaster highway, 3 miles south of Monroe. The Calvary Baptist Church was duly organized and located in this area.

The fifth and last meeting of the Missions Committee was held October 25, at which meeting requests for membership in Union Baptist Association from both the Faith and Calvary churches were reviewed. Representative groups from each of these churches met with the Missions Committee.

The Missions Committee has recommendations as follows:

1. That the Faith Baptist Church be received under the watchcare of the Association for a minimum of one year, as provided by the constitution.

2. That the Calvary Baptist Church be received under the watchcare of the Association for a minimum of one year, as provided by the constitution.

3. That the Association adopt the policy of requesting each church remaining under the watchcare of the Association to have a representative group meet with the Missions Committee quarterly. The purpose of these meetings to be: (1) That said church or churches might have the aid of older and well established sister churches as they

work toward full cooperation in the world-mission program characteristic of Missionary Baptists; (2) That the Missions Committee might have opportunity to know of the progress of such churches in order that it might make wise and honest recommendations with regard to their becoming members of the Association; (4) That Brown Hill remain under the watchcare of Association and be requested to adhere to adopted policy. (5) That Green Memorial Church remain under watchcare.

Report of Ordination Committee

According to our records during the past year, three of our men have been ordained to the ministry. They are as follows:

O. L. Hartis, Jr. ..... Ebenezer
Joe N. Williams ..... Shiloh
Max G. Reece ..... Wingate

As you perhaps know, it is customary for the church to which a minister has been called to ask for his ordination by the church of which he is a member. Then that church calls a council, usually consisting of ordained ministers of the Association, to examine the candidate as to his conversion, his call, and his beliefs concerning the Scriptures. If the coucil is satisfied, then they recommended to the church his ordination.

The Ordination Committee is appointed to assist any churches in arranging for the council or helping in any way that is needed. This committee acts only when called upon by the churches, and so far this year its services have not been requested. The committee stands ready to assist the churches at any time its services are needed.

John A. Bivens, Chm.

Radio and Television Report

The Radio and Television Commission is a missionary service organization for the Southern Baptist Convention. It preaches the Gospel on radio and television and through the printed page. At the same time, the Commission offers assistance to pastors, missionaries teachers, and anyoe else interested in using the airwaves as a method of telling lost people of Salvation through Jesus Christ.

The Commission now produces five radio programs for use on radio. Two other programs are in the planning stage to be launched during 1960. Every program is offered to radio stations free of charge, with all shipping charges paid. These programs are currently prepared and distributed to a total of 682 stations in 35 states, and 12 countries.

"Televangelism" has been termed the greatest single advance in

evangelism since the istitution of personal witnessing. "The Answer" is the most spectacular program produced by the Commission, and by far the most expensive. At the same time, it reaches literally millions of individuals in the intimate confines of their homes, causing them to consider the most important aspects of life. This program has been directly responsible for turning men and women from sin to the Christian life. No actual monetary value can be assigned to such an activity as it renders its valuable service to the Kingdom of God. The films are produced in Hollywood by Family Films, Inc., to insure Southern Baptists that the resultant product will be able to successfully compete with secular films on TV. Each film will be seen by an estimated 50 million viewers and it must properly represent our Lord and Southern Baptists. "Televangelism" 1960 was again highly successful as an aid to the local church effort to reach the unchurched, unsaved individual on the home front. More than 6,000 churches participated directly and an estimated 75,000 individuals took an active part.

The Commission continues to expand its ministry and its organization. Today there are 62 employees compared with 27 four years ago.

May we join in prayer that God will continue to bless the Radio and Television Commission and that Southern Baptists will continue to use this great medium to preach Christ to the world.

M. T. Gales

Sunday School Report

The Sunday School in the Union Association this year has been very interesting and much enthusiasm has been shown by our staff of workers.

We had three Associational Meetings, which were well attended, and two clinics were held. A film strip on Suday School work for

1960-61 was shown, which was very inspirational as well as helpful.

We had a number of churches reporting Study Courses, which are a great help to our Suday School. We had only 28 of our churches reporting Vacation Bible Schools and we are hoping that every church will report a Vacation Bible School this year.

It has been estimated that about 85% of our conversions come out of the Sunday Schools.

May we catch a new vision in the Sunday School work this coming year and go forward with the command that Jesus left in Matthew 28:19-20: Go ye, therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commaded you: and, lo, I am with you alway, even unto the end of the world.

Report of Training Union

Today we live in a world where education is a necessity in order for a person to earn his livelihood. We spend hundreds of dollars each year educating ourselves and our children. We encourage participation in social clubs, youth organizations and many other groups. Parents do not deprive themselves or their children from having a good time during the week by not going to parties and social events. We are constantly on the go, keeping ourselves tired and weary, never thinking of the time that is wasted.

All this is good to a certain extent, but when we stop and think, what is my life worth, what have and am I doing with it? Really, we are doing very little.

We that are professing Christians, could take more of our time and devote to our Church through the Training program and receive many spiritual blessings.

In our Baptist churches there is offered one of the best Bible training programs that can be found anywhere. From the Nursery through the Adult department, the church has a program where an individual can train himself and others to carry out the Lord's work.

There is no place a Junior pupil can go to learn the Books of the Bible and their contents as well as in the Junior Union. Nowhere does the Intermediate have an opportunity to learn how to locate passages of Scripture as he does in the Training Union of our Baptist Churches. The Young People have the opportunity to learn to speak to a group on spiritual things, therefore strengthening them to witness better for our Lord. Our adults can come together to study and learn how to better do the work that our Lord has commanded us to do. We need to give more of our time to training ourselves and seeing that our children are trained so that we know more of how to better serve our Lord and Savior Jesus Christ.

Our Association has seen a good year, but not good enough.

We had four Executive Meetings to plan our programs. Four

Mass Meetings with good attendance, Officers and Leaders Conferences with good attendance. Then the highlights of the year were:

1. The Clinic for Church Officers and Committees. Good Clinic.

2. Mobilization "M" Night with 857 recorded as head count. Largest in several years.

3. Youth Night—With a panel to answer questions asked by youth from the congregation, with a good number present and several young people dedicating their lives to full time Christian service.

4. Many study courses held throughout the year in the majority of our churches.

Billy G. Gill

Woman's Missionary Union Report for 1959-1960

The theme for Week of Prayer for Foreign Missions this year is HIS PEACE FOR THE MULTITUDES. We have for study and prayer the following topics: Seeing the Multitudes Hungry; See-

ing the Multitudes Deceased; Seeing the Multitudes Afraid; Seeing the Multitudes without a Shepherd; and Seeing the Multitudes with Compassion. In the Woman's Missionary Union we have been seeing the multitudes both at home and abroad through our monthly programs; through mission-study classes; and through our missionary periodicals. We have followed the daily prayer calendar and have prayed for these multitudes during our weeks of prayer. We have given of our money through our special offerings and the cooperative program that these multitudes might know of our Saviour. We have become aware of the people in our own neighborhood, our own Association, who need to know of the Christ we represent.

We have had an increase in number of mission study books taught; an increase in number of subscriptions to missionary periodicals; an increase in number of organizations doing community mission work; an increase in the *total* of our special gifts; and an increase in number of tithers. We had a decrease in number of members reading an approved mission study book; a decrease in Annie Armstrong Offering and a decrease in Heck-Jones Offering. Our special offerings as reported at the end of each quarter are as follows:

Lottie Moon Christmas Offering	$ 7,425.86
Annie Armstrong Offering	1,883.38
Heck-Jones Offering	580.32
State Mission Offering	981.30
Total	$10,870.86

We are indebted to the churches as a whole for helping us in our Lottie Moon Christmas Offering and our Annie Armstrong Offering.

On January 29, 1960, a Woman's Missionary Society was organized in Mount Harmony Church. On July 14, 1960, a Woman's Missionary Society was organized in Bethel Church. We have had 26 new youth organizations reported this year. Perhaps we have more new organizations as a result of having studied Mrs. William McMurray's book, "Educating Youth in Missions." We have eight new Sunbeam Bands. Some of these are in churches that have never had a Sunbeam Band before. Others are dividing their ungraded Sunbeams and are grading them into Beginner and Primary groups. We have fourteen new Girl's Auxiliaries in our Association and we have four new Young Woman's Auxiliaries reported this year. The churches that have reported new organizations are: Antioch, Bethel, Hartis Grove, Macedonia, Mt. Harmony, Mill Creek, Lee Park, Mt. Moriah, Mt. Zion, Mary Elizabeth, Midway, Roanoke, Shiloh and Union. We have 10 full graded Woman's Missionary Unions. We have no work in 9 churches.

Our WMU has held the following meetings during the year:

1. Quarterly W. M. U. Executive Board Meetings. 2. Quarterly YWA Council Meetings. 3. Campfire Service for Girl's Auxiliary. 4. Rally for all Sunbeam Band Members. 5. A Two day Day-Camp for 8 year old Sunbeams. 6. One Mission Study Institute. 7. One Leadership Conference. 8. Pastors' Wives Banquet. 9. Annual meet-

ing at Benton Heights Church with Mrs. W. K. McGee, our State WMU President and Mrs. M. F. Moorhead, our missionary speaker, as special guest.

The Association was represented at the State WMU meeting in Greensboro last March, at the Sunbeam Band Workshop in High Point in February, and at the Workshop for Associational Officers in Lexington in August.

As we look at the multitudes again, we resolve that: "We will give, we will pray. We will witness every day, That the millions of the whole wide world may know our Saviour's Love."

Respectfully submitted,
Mrs. W. A. Funderburk

*The Baptists of this Association came directly from the efforts of the early Christian workers of Wales and England. Their first settlements were in Old Welsh Neck section in South Carolina and Old Sandy Creek section in Chatham County. Union County Baptists came from the Old Welsh Neck Section. The Welsh Neck Baptist Church was organized in 1738. In 1793 Lanes Creek Church was organized about two miles West of Philadelphia Church. This Church was the stock of the Welsh Neck Church. The churches that came out of the Welsh Neck Church organized into the Moriah Association in 1815. For convenience of the North Carolina side of the Moriah Association, the Brown Creek Association was formed in 1854. In 1885 the name of Union Association occurred.
